All handled through the yards very easily, being brought up by a single handler, standing sensibly in the crush and exiting at a walk. Led out to the holding paddocks quietly and happily grazed whilst walking through taking photos. Bred for

temperament, as well as extensive handling makes these females a real pleasure to deal with. Could not have asked for a better behaved draft of young females. A credit to the vendor.

Assessor Comments

Outstanding Heifers, bred in the purple with excellent length & depth with a real 'easy softness' about them. Publicly offered for sale for the first time, These young healthy females are pure class. Pretty faced, well balanced & carrying all the desired attributes you look for when selecting future breeders. Vet checked & passed their evaluation for breeding soundness. These girls tick every box. Magnificent young heifers that ooze quality & would surely improve most commercial herds & please the most discerning buyer. These outstanding females come with both agents highest recommendation. Buyers please Note. 6 Heifers presented with some white on their flank/udder. 1 Heifer presented with a blue eye. None of which deemed detrimental. To be sold in lots of 10, (1 with the option) giving the highest bidder the opportunity to take multiple lots at the fall of the hammer. Please see photos & video for full contentment.
