

TOWALBA

MERINO, POLL MERINO & SAMM STUD

Gateway to Wool Production

Very proud to present this top of the drop draft of rams for our on-property sale. They are showing great structure and will certainly uphold our philosophy of breeding sheep which are heavy-cutters filling the bales with soft-handling wool for both ourselves and our clients. Don't hesitate to contact us if we can be of any assistance.

80 Rams on offer

200 grade rams available after the sale

Rams tested August 3, 2020 by Chad Wool Ltd Laserscan Testing.
