

Bull Guarantee:

All of the bulls have been independently evaluated for structural soundness and fertility. The animal health for these bulls has been precise and consistent.

To the best of our knowledge, the bulls are all in sound working condition at the time of the sale.

If during the next 6 months a bull becomes infertile or cannot breed, provided it is not caused by injury or disease contracted after leaving Twynam, the stud will;

1) Replace the bull with as close a match as possible;

Or

2) Grant a credit of the purchase price, less the salvage value of the bull.

The following is your checklist to our guarantee:

- Performance/Vet checked for soundness & fertility tested
- J-Base 6
- 7 in 1 Vaccinations x 2
- Vibriovax Vaccinations x 2
- Society transfers arranged
- Pestiguard Vaccinations x 2
- Pestivirus – tested negative for Pestivirus
