ABSOLUTE STAND OUT! Yes, one of the top stud sire prospects to be offered in THE BREED this year. Sired by Warburn 48 who is having an incredible impact at Wingamin. He has consistently punches thickness and backend shape into the long-bodied striding Shillabeer sheep.

2674 is a stand up dominant 'proud' stud sire. He is well proportioned, stands on good feet and walks squarely. With a prolific barrel and width of hip he has strong bone. He also displays short thick downs wool.

A stud sire for breeders looking for consistency of type and to STAMP 'top end' on property sale rams to today's buyer looking for thick carcass TRAITS while maintaining growth. TCP 153. **HrF 19253**

2021 On Property Ram Sale – Monday 13th September, interfaced with Auctions Plus

Lot: 2
Tag: 2707
Sire: Wingamin 182101 keeper sire
Sir of dam: Warburn 160048 purchased for \$16,000
Paternal Grand dam: 1229021 was Supreme exhibit at the 2013 Adelaide Royal Show.
Age: 20-5-20
EBVs BWT 0.6 PWWT 17.3 PFAT -0.6 PEMD 1.8
TCP 147 25/8 BW 137kg

Taller and longer bodied sire with good chest with healthy heart and lung room. Knits in nicely through the shoulders and parades a strong masculine head with a 'clean' soft face. He was used as a ram lamb and is leaving 'stunning' lambs. Stands on good feet. Solid EBVs – big bodyweight – great doing capacity. **HrF 19398**

Lot: 3
Tag: 2694
Sire: Warburn 160048 purchased for \$16,000
Sir of dam: Depta Grove 140300
Age: 17-5-20
EBVs BWT 0.5 PWWT 18.4 PFAT -0.7 PEMD 2.5
TCP 154 25/8 BW 137kg

Another 'powerful' 48 son that is doing it easily. A twin with big numbers. He is placid in nature. Again a clean, soft face and appealing top line. A thicker, heavy bodied sire that is nicely wedged shaped through the shoulders. He stands very square behind. A quiet achiever here – with TCP 154 – somebody will have a win when buying this fellow!! **HrF 19401**

Earlier maturing type – great thickness through the loin and backend. Again, correct on feet and shaped nicely through the shoulders. Stylish White Suffolk head and outlook. One to punch early growth and shape into flock rams! **HrF 19259**

Lot: 6
Tag: 2600
Sire: Wingamin 181961 – keeper sire
Sir of dam: Warburn 160048 purchased for \$16,000
Age: 28-4-20
EBVs BWT 0.5 PWWT 17 PFAT -0.6 PEMD 2 TCP 147
25/8 BW 134kg

Used as a ram lamb. 2600 was an outstanding lamb and the Shillabeers are really happy with his offspring that are showing sappy fresh skins. Again this 961 son is thick through the hindquarter with very good overall carcass shape. He grows a dense wool type. **HrF 19390**
