# WELCOME

---

Poll Merinos were to be the Feature Breed at the now cancelled 2021 Royal Adelaide Show and the dominance of this breed in South Australia is highlighted in the rams presented for sale.

Studs are represented from both SA and Victoria, confidently offering their best young rams that have impressed agents, classers and breeders alike.

Its not easy to breed a really top ram. Decades of experience and genetic knowledge combine to produce a ram of beautiful shape and wool quality. This is where you can select top quality rams to suit your objectives and add real value to your breeding program.

Adelaide is the premier multivendor sale in Australia. Make it your destination on the 10th of September.

## ORDER OF SALE

Just as the saying goes “You can’t judge a book by its cover”, nor should you judge a ram by its position in the Adelaide Ram Sale.

There are outstanding rams throughout the entire catalogue, their order determined by a number of factors.

If the stud entered sale rams in Adelaide the year previously, their position is determined by their total sale result, divided by 5\*.

Highest average commences the current sale.

For example, stud A enters two rams in 2020 that sell for \$10,000 and \$15,000. Their average is calculated as \$5,000 ( $\$25K / 5$ ).

Stud B may have entered 5 rams that each sell for \$9,000. Their average will be calculated as \$9,000 ( $\$45K / 5$ ), so will be prior to stud A in the order of sale in 2021.

Averages are recorded on the number of rams offered\*.

For new or lapsed vendors, their position follows the previous year’s entrants. South Australian studs are then listed alphabetically, followed by interstate studs in alphabetical order.

Your inspection of all rams presented in the Adelaide Ram Sale is highly recommended.

*\* Studs offering more than 5 rams have their average calculated on the number of rams sold divided by that number. eg 8 offered, 7 sold, sale result is divided by 7.*
