## **NOTES:**

Annual Vaccinations (7in1,Pestigard,3Day) "Q" BULLS 19.4.21 "R" BULLS 1.3.21  
Heifers 3/21 - 7/21 (depending on weaning group)

### **PP: DNA Tested Homozygous Polled**

**Lot 4:** Did not pass semen test. It is likely this bull will eventually obtain a good level of fertility.

He sells with the following terms:

Payment not due until delivery

Delivery will not occur until bull passes motility & Morphology tests

A retest will not be carried out until end of October, so he will not be available for use until passed.

**Lot 29:** Bull sells with 100% semen rights. Bull has a crush side motility pass & a Qualified Morphology pass & Ascot has already collected viable semen for in herd use only. Should the successful purchaser need to collect semen in this bull, there may be a delay before morphology further improves to attain freezable quality semen. Payment terms: 50% due at fall of the hammer. 50% due on collection of viable semen.

**Lot 67:** Old abscess on Jaw. Vet drained previously with scar tissue remaining. Vet advises it will have no long term effect.

**Lot 71A:** We are selling possession & walking rights

The bull is contracted to ABS Australia. ABS Australia has exclusive world wide semen rights; thus the purchaser cannot collect & sell semen.

The purchaser can collect semen, or contact ABS to buy semen at the cost of production rate. The semen is for the purchaser's own use and not for re-sale.

ABS Australia will draw up a new agreement to state the purchaser's possession & walking rights

Sells with no semen rights but includes 300 straws of semen for use exclusively by the purchaser

& not to be on-sold.

**Lot 73:** Bull incurred minor injury to the outside of offside hind leg. It does not impede his movement, with no lameness at all. Vet checked, scanned and certified that it will have no long-term effect on this bull. 100% guaranteed.

**Lot 95:** Sells with 100% semen rights. Ascot retains semen for in-herd use only. Straws will be collected before delivery.

Silverstream Charolais NZ have registered potential interest in securing semen rights for NZ from successful purchaser if purchaser wishes to do so.
