KANDANGA VALLEY CHABLIS (P)

Welcome one and all to our 2nd Kandanga Valley 'Summer' Charolais and Charbray bull sale. This January we will offer 46 quality herd improvers on Saturday 22nd, commencing at 10am.

Isn't it amazing? The Australian cattle industry is enjoying buoyant times like we've never seen before. And so far the outlook still looks very solid.

At least 50 years we've sweated and toiled, battled banks and droughts and floods, so let's enjoy the ride for a little while at least.

The price of quality weaners at present is something we could only dream about a few years ago and Charbray and Charolais cattle are right up there with the best prices and certainly the heaviest weights, resulting in outstanding returns for breeders of white and golden crossbred weaners.

Our Summer 2022 boys once again display impressive muscling and carcass traits and attributes. Kandanga Valley bulls and their progeny are recognised for this at sales all around Queensland and northern New South Wales. Add to that the do-ability and survivability of Kandanga Valley genetics and you're definitely on a winner.

Many cattlemen and women are enjoying a good spring as I write this welcome and if we can believe the experts the rain should keep coming this summer. Let's hope this will be the case across the board so we can all share in the good times.

Thanks to everybody for your great support in the past and we look forward to catching up on Saturday 22nd.

About Us & Stud History

Both the Kandanga Valley Charolais and Charbray studs were established in 1988. The first Charolais cattle at Kandanga were purchased by John's parents, Kev & Joan, in 1973 and there has been a Charolais infusion in the Kandanga Valley herd since those early days.

John and Roz purchased Warravale, Kandanga, from John's parents in 1986 and have since owned a Central Queensland property and properties in the Tansey and Gympie district plus agisted properties west of Gympie. Now having sold all of our Tansey grazing country we have secured a very nice property at Moonie on the western downs where most of our Charolais females now run.

We have raised four great children, Wade, Kate, Nick & Brooke and are now proud grandparents to an ever increasing group of fine, good looking offspring.

The first registered Charbray cattle were purchased in 1979 at the Nahrunda Stud dispersal at Gympie. The tremendous growth and easy doing ability of these first Charbrays, with the added benefit of tick resistance, convinced us that Charbray cattle were the most profitable in our environment and probably most other environments as well. Their saleability at fat or store markets is second to none in Queensland.

We now put a heavy emphasis on breeding generation bred (purebred) Charbrays for a much better consistency of progeny to hit the ground. **We have only used registered Charolais, Charbray or Brahman bulls in our herd since 1979 over registered females of the same breeds.**

Early stud Charolais breeders were purchased from numerous high profile studs plus smaller herd dispersals back in the eighties. Since then we have bred heavy muscled, soft fleshed French type cattle with an eye on all the traits required to perform in Queensland conditions. Traits like fertility, milk, growth and muscling rank very highly in our selection criteria. Our herd is run very similar to any commercial herd with poor performers being culled quickly.

Having access to such a large number of stud females has allowed us to be very selective within our herd and we think the bulls offered during this time reflect this as do their very positive EBV figures.

We are now running in excess of 1200 registered stud cattle, down from a peak of around 1700. We have put a big emphasis on fertility and productivity over the last few years as we have wound our herd back to a more manageable level.

About The Sale Bulls

The Charolais bulls were born at Moonie, SW Qld, and weaned back to Kandanga due to the extreme dry conditions. The Charbrays are born and bred around Gympie.

They're grown out at Kandanga on both the creek flats and pastured hills prior to a sale preparation on a specially designed cool ration.

They've seen plenty of cattle ticks plus heat and humidity, plus this group, plenty of dry gullies.

Our Charolais bulls are now showing a definite polled influence but still retain strong masculine heads plus plenty of muscling and performance.

Our Charbray bulls once again, are undoubtedly the heaviest muscled purebred Charbrays on the market. They have plenty of growth, plenty of red meat and very tidy underlines helping to improve longevity.

REBATE: 3% REBATE is offered to outside agents introducing buyers, in writing, 24 hours prior to sale, and settling within 7 days. These conditions will be strictly adhered to.

DELIVERY & TRANSPORT: All delivery arrangements are to be made in writing on the Buyers Instruction Form provided in the back of this catalogue. Free transport is being offered to Dalby and Roma (via Murgon), Toogoolawah & Eidsvold, north to Gracemere and Sarina (via Bruce Highway), Emerald and Clermont (via major centres only).

HEALTH: All bulls are vaccinated with 7 in 1 (as calves), 3 germ blood (as weaners), 3-day sickness and Vibrio (as yearlings).

ALL BULLS ARE SEMEN TESTED 2 WEEKS PRIOR TO SALE

SUPPLEMENTARY SHEETS will be available on Sale Day containing the following information – Semen test results, Scrotal measurements, Weights, Scan measurements for Eye Muscle Area, rib & rump fat measurements.

ESTIMATED BREEDING VALUES (EBVs): EBVs are displayed on all bulls (where available). To obtain EBV figures, our stud Charolais cattle are weighed at weaning and once or twice before 600 days. We do not weigh our calves at birth due to the impracticality of doing so, over four different properties. However, our mature breeders are calved unassisted. Scanning data from bulls and heifers is now also submitted to improve the accuracy of carcass EBVs.

GUARANTEE: We guarantee all stock sold as sound breeders. Any claims of infertility will be strictly handled as under Section 17 of Agents Terms and Conditions.

TICK LINE CLEARANCE: All bulls treated prior to sale for immediate inspection.

AIRSTRIP: Light planes at Gympie, others to Sunshine Coast or Brisbane

ACCOMMODATION: Motels in Gympie, B&B's at Amamoor, Kandanga, Imbil & Gympie. Please call vendors to arrange accommodation if needed.

PHONES: Please contact your preferred agent to arrange phone hook-up on sale day.

REGISTRATION TRANSFERS: For transfers of REGISTERED Charolais and Charbray bulls, purchasers must be members of the relevant Society. Please indicate TRANSFER REQUIREMENTS on Buyers Instruction Form on sale day.

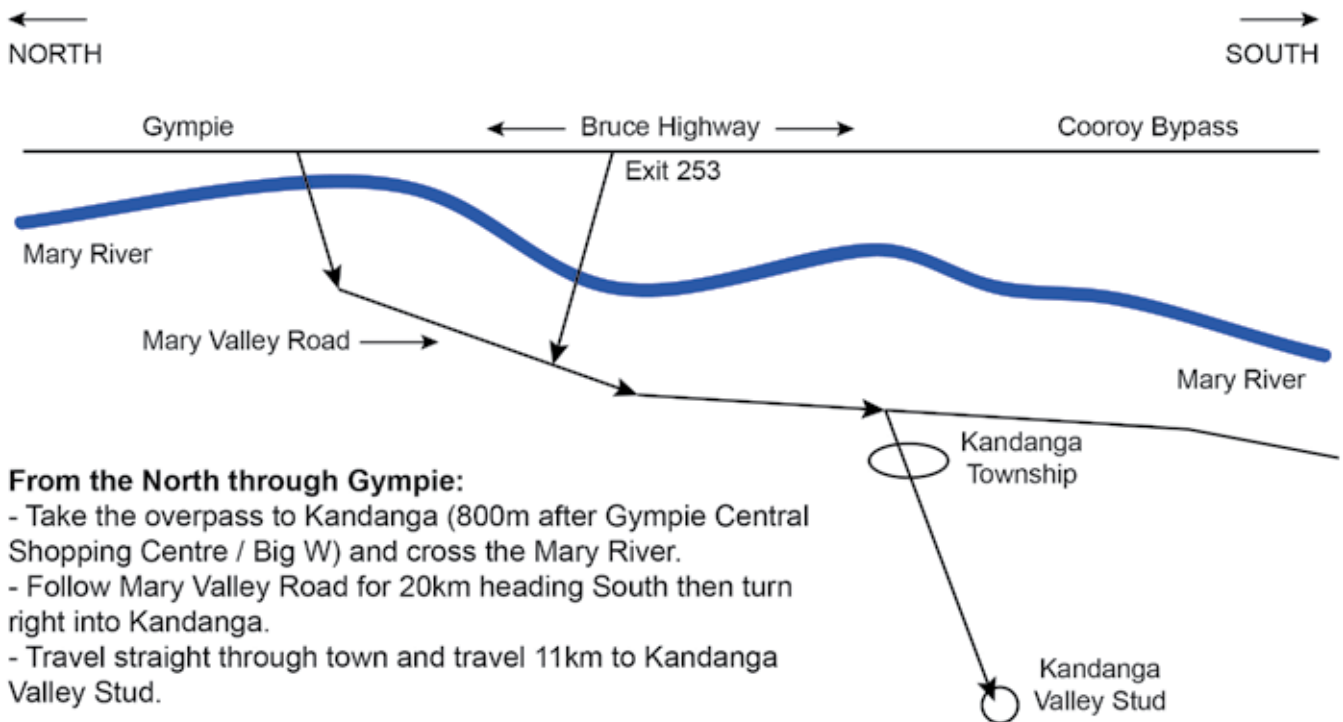

REFRESHMENTS: Lunch and refreshments will be available for purchase on sale day, catered for by the very capable Mary Valley Show Committee.

ALL BULLS ARE HANDLED WITH HORSES, DOGS AND QUADBIKES.
