PHOTOS & VIDEOS OF LOTS

Photos, videos and the information listed in the catalogue is available on AuctionsPlus "Trio of Treasures" NSW Boer Goat Auction.

ANIMAL SCAN DATA

The Valley Boers and Youlden Valley animals were weighed and had their Eye Muscle Depth (EMD) and Rib fat (Fat) scanned on the 12th October 2022, in line with Kid plan standards. These results allow comparisons between animals from the same stud. This data does NOT allow animals from different studs or management groups to be compared to one another.

REGISTRATION

All animals sold at the auction are eligible for registration with BGBAA and will be registered upon request from the buyer. All animals are acceptable to breed standards, unless clearly specified in the comments section of the catalogue and AuctionsPlus description.

SEMEN

Transport and storage of genetic material purchased is at the cost and responsibility of the buyer. The semen has been collected and stored by Francois Marais Ovatec, Dubbo.

TRANSFER OF OWNERSHIP & INSURANCE

Ownership of animals purchased transfers at the "fall of the hammer". We recommend buyers consider taking out livestock insurance. Every care is taken when handling the sale lots, however no responsibility can be accepted by vendors or the selling Agents for any injury or death to any lot following the 'Fall of the Hammer', and while it is awaiting delivery.

DELIVERY

Free delivery is available for any animal purchased at the auction enroute to Nyngan, Bourke, Cunnamulla, Charleville, Longreach, Roma, Warwick, Glen Innes and Tamworth. Free delivery is also available for any animal purchased at the auction enroute to Canberra, Cooma, Albury and Narrandera. Animals will be delivered within 72 hours of the auction (conditions permitting e.g. weather). Buyers need to be available at this time to pick up their purchase/s and delivery is limited to the sites listed.

GUARANTEE

All stock are guaranteed breeders. Any claim against the breeding ability of an animal purchased should be made in writing, and accompanied by a Veterinary Certificate, within six months of the date of the Sale. In the event of animal failing to breed, it may either be replaced with an animal of comparable value, or a credit to the full purchase price will be given at the following sale or on a private sale animal.

COVID SAFE EVENT

This is a covid safe event where the current restrictions and rules will apply at Peak Hill Showground on the day. Attendees will be required to be aware of and follow Covid safe practices as required by the NSW government.
