Welcome to our 3rd annual 'Purpose Built' Malleevale Contender Meat Goat sale, we would like to thank you for taking the time to view our catalogue.

It is with great pleasure to introduce what we believe to be the highest performing bucks of a group of 1000 quality bucks.

Our goal has always been very simple "Produce animals that add value to the herd". We believe that our animals have the excellent carcass characteristics that are easy care with the ability to have rapid growth and capability to fatten on grass.

We introduced Myotonic genetics to increase muscle through the forequarter, over the rib loin and hindquarter. We instantly noticed the value that they were adding to the carcass and now after several generations we are producing a composite animal that we are extremely impressed with.

These bucks have been paddock reared in a broad acre farming rotation. They were weaned onto Lucerne in February 2022 and have mainly stayed in lucerne pastures up to sale. We are confident of their capabilities when compared with other breeds. The bucks will pass on their excellent genes for birthing ease, fertility, structure, growth, and carcass quality and they are a very docile group.

They were weighed and scanned for rib fat (mm), eye muscle area (cm²) and eye muscle depth (cm) on the 30th September.

Your investment now will reap rewards in the future. We understand the difficulty of finding the right animal so we really encourage you to contact us to assist in advising you on the purchase that will be most profitable for your operation, so please ask if you would like any assistance because we want you to end up the right animal. Inspections are encouraged and very welcome.

Sale Information

Inspection: Inspection will be from 10am on sale day or any other time by appointment.

On Property & Online: The sale will be On-Property at “Malleevale” 617 Rosedale Road, Condobolin, NSW. The Sale will also be on the AuctionPlus selling platform. Videos of the Bucks are available on the Contender Meat Goats Facebook page and YouTube via <https://youtube.com/playlist?list=PL9WR-Hyba8YwqEnzOVWNU9MWpgmtK6BgI>

Normal terms and conditions of trade of Forbes Livestock & Agency Co when settling through an ALPA Agent, otherwise payment before delivery of livestock.

Outside Agent Rebate: The vendors agree to allow a 1% rebate to outside agents introducing their client in writing 24 hrs prior to the sale and settling on their behalf within 7 days of the sale.

Accommodation: Condobolin has numerous accommodation options or contact Ian to arrange something on farm

Breeding Guarantee: All bucks are guaranteed for breeding soundness. In the unlikely event of infertility, the vendor guarantees that (without expenses, interest, cost and damages) if the buck proves to be totally infertile or totally incapable of natural service, provided it is not caused by an injury or disease contracted since leaving the sale, to either replace with an animal of comparable value or credit to the full purchase price will be given at the next sale or on a private sale animal. Any complaint must be lodged with a relevant Veterinary Certificate within 6 months of the date of Sale direct to the Vendor. Bucks that run in a multiple joined environment are not guaranteed for breakdown or injury.

Health: All bucks have been vaccinated with 6 in 1 and are up to date with their vaccinations. Bucks will not be within a withholding period on sale day.

Intending buyers please note: Buyer number system will be in place, therefore all prospective purchasers will be required to register prior to commencement of the sale.

GST: 10% GST will be added to the knockdown price.

Refreshments: Morning tea and lunch will be supplied

Lot 1
