Held online through Auctions Plus Saturday 22nd October 9am

 **AuctionsPlus**

PRESIDENT OF THE AUSTRALIAN HAMPSHIRE DOWN BREEDERS ASSOCIATION

I'd like to welcome all prospective buyers to the sale and thank all our vendors for consigning their lots to The Inaugural Australian Hampshire Down Breeders National Sale.

It's very pleasing to have the number of great quality lots available for your bidding and competition consigned by our members. I hope that all those successful in purchasing rams and or ewes benefit from their inclusion into your flocks.

I'd also like to thank our agents from Nutrien and Elders for conducting the sale, AuctionsPlus for the use of their terrific platform to host our sale and Gavin from Leahy Art & Design for compiling our catalogue and providing our promotional material.

Kane Hildred
AHDBA President

TRADING TERMS

Trading terms are those of Nutrien Ag Solutions & Elders.
Nutrien Ag Solutions Bendigo will be settling the sale.

AuctionsPlus

How to Register and Bid on AuctionsPlus

1

Go to www.auctionsplus.com.au to register at least 48 hours before the sale.

2

Select “**Sign Up**” in the top right hand corner.

3

Fill out your name, mobile number, email address and create a password.

4

Go to your emails and confirm the account.

5

Return to AuctionsPlus and log in.

6

Select “**Dashboard**” and then select “**Request Approval to Buy**”.

7

Fill in buyer details and once completed go back to Dashboard.

8

Complete buyer induction module (approx. 30 minutes).

9

AuctionsPlus will email you to let you know that your account has been approved.

10

Log in on sale day and connect to auction.

11

Bid using the two-step process – unlock the bid button and bid at that price.

12

If you are successful, the selling agent will contact you post sale to organise delivery and payment.

For more information please contact us on:

Phone: (02) 9262 4222

HAMPSHIRE DOWN

Superior Meat Yield with the highest Intra-Muscular Fat (IMF)
on average across all breeds

Key Breed Characteristics

- Ability to thrive in the extremes of climates
- Ability to turn off entire drop within 12-14 weeks
- Ability to be kept behind fences without trouble
- Ability to reduce inputs and increase margins
- Ability to remove workload and stress at lambing time due to less lambing problems
- Ability to lamb at percentages above 160%
