

Lot 21 Bungarley 210095 Stud Sire

A very powerful well put together ram. Hard to Fault this ram. Excellent carcass with exceptional depth and hindquarter, fantastic feet and type. He carries himself very nicely with his strong structure and bone. An asset to any stud wanting to lift growth capacity and carcass...

We have retained his full brother.

Lot 22 Bungarley 210019

Beautiful soft ram, great hair pattern, plenty of muscle and shape, great depth in this ram through the barrel which he carries easily with great structure and feet. He walks out really well and would fit into any breeding program.

Lot 23 Bungarley 210014

Extremely good black points in this ram, a very solid muscular ram with great loin length. He is excellent on his feet well balanced and great type, an absolute power house of a ram. A massive addition to any breeder.

Lot 24 Bungarley 210109 Stud Sire

A true breed type ram, with all the attributes of the Australian White on display here. Great black points that are desirable traits and with black feet and structure he will keep up right and strong for many years, he has plenty of shape through his carcass that is a strong trait of this breed line.

We have retained two ET full brothers.

Lot 25 Bungarley 210067

A very smooth ram with plenty of frame. Beautiful through the shoulder with a great carcass. This ram is excellent on his feet and walks out really well. Scale is what this ram will bring into any flock with his frame and leg.
