## LT Authority 7229 PLD (P)

POLLED

[OAUN8189E](#)

High-selling bull in the 2018 Lindskov-Thiel Ranch Bull sale at \$160,000.

Authority is an outcross herd bull with a maternal pedigree laced with current and past trait leaders. He's a powerhouse made to catch your eye. Breeders that have utilized LT Authority have consistently reported moderate birth weights and excellent phenotype in the offspring. As a bonus, Authority provides outcross genetics and stems from the beautifully uddered LT Katy cow family. This powerhouse is laced with past trait leaders and has a deep maternal pedigree. Phenotypically outstanding with individual performance.

LT Authority ranks in the top 5% for calving ease, birth weight, rib and rump fat
