## SALE NOTES

### Lots on offer

Rams are offered for sale by Merlin Dorpers, Bilgamma Dorpers and Tuckeroo Dorpers. Individual animal bodyweights were recorded in late January 2022.

Groups of commercial ewes are offered for sale by Merlin Dorpers.

Lots 1 - 22: Dorper rams, offered for sale by Merlin Dorpers

Lots 23 - 43: Dorper rams, offered for sale by Bilgamma Dorpers

Lots 44 - 53: Dorper rams offered for sale by Tuckeroo Dorpers

Lots 54 - 58: Groups of 5 commercial Dorper ewes, offered for sale by Merlin Dorpers

### Health

These rams are pasture-reared, with minimal or no supplementary feeding. They are 'straight out of the paddock' and we are confident that they will perform well wherever they go.

All rams and ewes are guaranteed to breed. Any claim against fertility should be made within six months of the date of the sale. This fertility guarantee does not extend to injury, misadventure or disease contracted since the sale. For claims of infertility, the animal must be returned to the property and a veterinary certificate may be required. The ram will be replaced with another animal of similar value.

"Merlin', 'Bilgamma' and 'Tuckeroo' are all Ovine Brucellosis accredited flocks.

### Bidding opportunities

The Merlin Dorper Annual On-farm Production Sale is interfaced with AuctionsPlus and the online catalogue can be found at <https://auctionsplus.com.au/auctions/sheep/merlin-dorper-ram-sale/97723>. This allows buyers to place bids online, through the AuctionsPlus system. If bidding online, please register at least 48 hours prior to the sale, by visiting <https://auctionsplus.com.au/register>. For instructions on how to register, access <https://app.hubspot.com/documents/5152284/view/278638426?accessId=09ada8>

Phone bidding is also available through Pitt Son's and should be arranged with a Pitt Son's team member prior to the commencement of the sale. To arrange phone bidding, please contact Stuart Bell on 0474 223 332.

### Freight

All purchased animals become the property and responsibility of the buyer at the conclusion of the sale, from which time the Pitt Son's staff will co-ordinate the collection and loading of purchased animals. No stock will be loaded until after the conclusion of the sale.

If transportation of purchased animals cannot take place on the day, the animals may remain on the property post-sale for a reasonable period of time while freight arrangements are made.

### Stud registration

All rams are eligible for registration with the Dorper Breed Society. Registration and transfer of ownership will be arranged at the buyer's expense. To arrange for an animal to be registered, please speak with Pitt Son's staff.

### Lunch & Refreshments

All refreshments and drinks will be provided on the day, with pork rolls provided for lunch.

### Directions

Merlin Dorper Stud is located at 224 Shorters lane in Attunga NSW 2345. Attunga is 25km north of Tamworth. Signs will mark all major turns from Attunga and we recommend you take note of the below directions as location services (i.e. Google Maps) will not successfully direct you to the correct location.

#### *From Tamworth/Manilla*

At Attunga, turn onto Attunga Street (will change to Top Somerton Rd) and travel 11km to Shorters Lane. We are at the end of the lane (approximately 3km).

#### *From Gunnedah/Somerton*

At Somerton, turn onto Joshua Street (will change to Somerton Road) and travel 7km before turning onto Top Somerton Rd. Travel another 7km on this road to Shorters Lane. We are at the end of the lane (approximately 3km). Please note that this approach involves unsealed roads.

## The Sale

**This year's sale will once again run as a Helmsman auction.**

### HOW IT WORKS

1. Upon arrival, an intending purchaser will need to register their intent and receive a 'buyer number'.
2. All rams will be penned and numbered for inspection as per the catalogue and will be available for assessment by potential buyers from 10:00am.
3. At the commencement of the sale at **11:00 am**, all rams will be on the market simultaneously and bids will be recorded on a notice board overseen by Pitt Son's staff. You may bid on any ram, regardless of lot number, by filling in a bid card and handing it to a member of Pitt Son's – current bids will be displayed on the board.

This allows you to select multiple rams, whilst observing your intended monetary spending limit as, if your first pick ram exceeds your limit, you can still bid on any other ram on sale.

4. You may open the bidding at the pre-set "reserve price", which will be displayed on the board. Further bids will be accepted in multiples of \$100.00. There is not limit on the size of the bid.
5. Bids are recorded with the assigned 'buyer number'. You can bid on any number of rams at once, and can see at a glance whether your bid still stands or has been overbid.
6. A bid, once submitted and recorded, cannot be retracted, and the person responsible for submitting such a bid will be responsible for it until overbid by another party.
7. The sale will remain open for a minimum of 40 minutes after which time, any additional registered bit will result in an extension of the sale time until no more bids are received (in a specified period), thereby ending the sale.

Risk and responsibility release

1. Any person attending the sale does so at his/her own risk.
2. All persons attending the sale release the vendor from all actions or demands due to any loss, death, damage or injury occurring on the premises.
3. The vendor is not responsible for, and has no liability for, any death or injury to a person or any loss of, or damages to, any person attending the sale, their property or otherwise.

Indemnity

All persons attending the sale agree to indemnify the Vendor from and against any liability, loss, damage, expense or claim which the vendor may incur, including third party, during or after the sale in all respects.

Livestock Auctions Terms and Conditions

This sale will be conducted under the usual terms and conditions of the NSW Stud Stock Sales, which will be displayed at the sale, and includes the following:

- GST - 10% GST is to be added to the purchase price.
- Licensed Agents will conduct the sale – Pitt Son's.
- 3% rebate under the following conditions:
  1. Settlement within 7 days of the sale date
  2. Introduction, in writing of intending purchasers 24 hours prior to the sale commencement
  3. Rebate available through physical attendance at the sale and/or AuctionsPlus.
