Dam of Remington

Sire of Remington

Full ET Sister

An exciting outcross Canadian imported embryo bred bull.

Full ET sibling to our 2021 Perth Royal Supreme Angus exhibit, Venturon RR Rosebud Lass Q13. There is so much to love about this bull, he has so much power and scale while blending it into soft, refined package with a great sires head. Rachis 21R has bred so well for the DSK herd in NSW and we can't wait to see what his genetics are going to do for our program.

Note- This bull is pending registration due to a mix up with Recip cow ID recorded wrong.
