

2022 YAVENVALE SUPPLEMENTARY SHEET

Please note: Lot 36 will be sold after Lot 8. Normal catalogue order will then resume.

Please note: Lot 7 is homozygous poll & Lot 26 is heterozygous poll

Please note: Yavenvale will retain a within herd semen interest in Lots 2, 3, 36 & 37. This semen is yet to be collected.

Please note: the updated EBVs for Lots 124, 131 & 141 are available by clicking on the AuctionsPlus link for that particular lot

Please note: The correct sire of Lot 4's dam is Yavenvale Guardsman G471

The correct sire of Lot 21's dam is Stanford Khobi K184

The correct sire of Lot 33 & 34's dam is Valma Odyssey

Please note: All sale bulls have been subjected to a reproductive examination by the Holbrook Veterinary Centre involving testicular palpation, penile inspection and a structural assessment. These bulls have been deemed reproductively fit for sale and breeding.
