Welcome to our 30th Annual Monterey Sale.

Having experienced the best Autumn in living memory, we were jarred by the wettest Winter here since 1964 with nearly 50 inches falling by the end of August. Spring remained very cold and cloudy in contrast to normal Springs, so it was indeed comforting to see the cattle do so well through this trying period.

Cattle prices have risen to new levels in the past 12 months and the cow-calf producer is being rewarded like never before.

This year marks our 30th Annual Sale, and it has been quite a ride. In the early years of the Monterey stud, we sold bulls and females in the combined Murray Grey breeders' sales held at Kojonup, before starting our own production sale in 1992. We held twenty Annual Production sales at the Knutsford selling complex at Kojonup owned by Pat Walsh and family, before moving to an on - property sale here at Karridale when Knutsford closed.

With 54 years involvement in Murray Greys and 38 years breeding Angus, we know the bloodlines and what it takes to breed a balanced animal. That is, born without fuss, robust and fast growing, easy doing with ideal muscle development, calm temperament, and structural correctness. It all adds up to 'type' – sires must fit our type – providing enduring consistency. Whilst we have been in Murray Grey Breedplan since its inception, and feel it somewhat accurately represents our cattle, in herd, we have abandoned Angus Breedplan, because we felt this was re-directing our breeding program away from industry relevant cattle towards breeding a fancy set of numbers which the processors won't pay you for - we believe in actuals, not estimates!

Of course, the foundation of any herd is its females, and we are proud of the reputation we have built over many years for the quality of our cows, both Grey and Black. These females being offered represent serious performance bloodlines and offer great potential. Monterey sold the top priced female and bull at the 2021 Murray Grey National Sale and set a record for females when topping the 2021 Murray Grey Premier Sale in October at \$18,000.

Congratulations must also go to all our clients who have achieved fantastic returns for their cattle over the past year.

Long-time client Scott River Trading sold 2 pens of outstanding Monterey bloodline Murray Grey PTIC heifers in the recent Nutrien Specially Selected Female Sale for a sale record of \$4500. Another worthy mention is RH Norman and Son for setting a Boyanup Saleyard record for their ex-Monterey sire sold to processors for \$4030.

Just when we thought last year's bull sale team was our best – this year's team has more depth of quality as well as more outstanding sire prospects. As always, all bulls have been through a rigorous programme with all having been fully vaccinated, semen evaluated, and reproductive apparatus assessed.

We look forward to your company on sale day. To mark our milestone 30th Annual Sale, we are giving all successful purchasers a box of Monterey engraved steak knives, in appreciation of the support our clients have given us over the years.

If you have any queries beforehand, please don't hesitate to contact us.

Best wishes for the coming year.

*Gary and Julie*

# General Information

## PRE-SALE INSPECTIONS:

The sale cattle will be available for public inspection at the Monterey, 34 Capewell Rd, Karridale the day before the sale, and from 10.00am on sale day, or at an earlier date on property at Monterey. Enquiries and inspections welcomed..

## BULLS: PHYSICAL EXAMINATION: SCROTAL CIRCUMFERENCE: SEMEN TESTING

All MONTEREY sale bulls have been thoroughly examined for breeding and structural soundness and have had their testicles measured and details are listed in the catalogue. Please note, bulls 18 months or older should have a scrotal circumference of no less than 32cm, however bulls in this sale average 40+cm. **All bulls have undergone a semen evaluation. Tests conducted by FarmWest.**

## HEALTH TESTS:

**MONTEREY HAS A HERD HEALTH SCORE OF JBAS 8, WITH CATTLE ELIGIBLE TO GO TO ANY HERD IN ANY STATE.** All stud cattle offered for sale are guaranteed free of brucellosis, TB, mannosidosis and Johnes disease. Sales to interstate buyers are conditional on the cattle passing the necessary health tests for entry into the purchaser's state.

**As added protection for clients all Monterey bulls are vaccinated according to the Zoetis STAR programme.**

## SELLING AGENTS:

The sale will be conducted by Elders and Nutrien as agents in conjunction. A rebate of 3% will be paid to any outside agents introducing buyers **in writing 24 hours prior to the sale** and settling within 7 days. The rebate will apply on all stud lots, both male and female.

## VENDOR WARRANTY:

All the cattle being offered have been produced and reared under entirely natural conditions. They have not been given any growth promotants nor have they been artificially reared. All bulls and females are guaranteed fertile. To this end, all bulls have been semen tested very recently. **Monterey Murray Grey and Angus bulls carry a 2year warranty for structural or genetic problems.** Where disease or injury causes infertility or inability to serve, **or in multiple mating situations**, this guarantee does not apply. Any claims to be accompanied by a veterinary certificate. **This warranty is not an insurance policy**, and we strongly recommend you insure your purchases.

## HEALTH AND SAFETY OF VISITORS

**Please observe COVID protocols on the day of sale.**

**Under normal circumstances, our bulls are quiet to handle, however even the quietest bull is in fact an unpredictable animal, so be alert.**

**Do not crowd the bulls or loiter inside the pens unnecessarily.**

**Please call an escort through the bulls if required.**

**VISITORS ENTER THE CATTLE PENS AT THEIR OWN RISK  
NO CHILDREN ALLOWED IN PENS**

## DISCLAIMER:

The information contained in this catalogue is believed to be correct. All care has been taken in its preparation. However no responsibility is taken for any inadvertent errors or omissions.

**Notes:** Top priced bull of his year, selling for \$19,000 to the Forrester family. A seriously impressive bull with his muscling, volume, style and huge weight for age. As one prominent breeder said, "He looks better than all the semen catalogue bulls!". His sons have his stamp and are sure to appeal. Shown once as Supreme All Breeds Exhibit at Busselton. 5 excellent sons catalogued.

**Notes:** Originally sold through our Summer sale and re-purchased for use in our herd. One of the best decisions we've made. Terrific individual who is really stamping his progeny with his outstanding attributes. Has so much power, shape, structural correctness and softness for such a big bull, yet his calves are born at a very modest birthweight. Was admired by many at the Gingin 100yr Angus event. 7 very good sons catalogued.

**Notes:** Purchased at 14mths for \$17,000 (second top price at the 2014 Millah Murrah sale). A maternal brother to Ascot Hallmark. Described by Ross Thompson as "a cracking calf from a super performing young cow". Has matured into a massive volume sire with magnificent coat type and style to burn. Sired our 2018 and 2019 top priced bulls. Ultra quiet natured bull. Top 1% calving ease yet progeny have massive weight for age. His sons have sold to \$30,000 and his daughters are outstanding.

**Traits Observed:** GL,BWT,200WT,400WT(x2),SC, Scan(EMA,Rib,Rump,IMF),DOC,Structure(Claw Set x 1, Foot Angle x 1),Genomics

**Statistics:** Number of Herds: 2, Prog Analysed: 42

**Notes:** Regarded by many good judges as the 'pick' bull of the sale when we purchased him at 12mths. Used over heifers with outstanding results. Progeny are long, deep and thick with plenty of style. Outcross genetics and would suit any herd seeking top quality sires to join heifers.

# Good result for inaugural sale

By ESTHER PRICE

BIDS crept up to a level that just met the expectations of Monterey Murray Grey stud principals Gary and Julie Buller at their inaugural production sale at Knutsford last Saturday.

Genuine stud cattle female production sales are now few and far between and buyers of all beef breeds have long since taken advantage of

what traditionally has been a buyer's market at such events.

While Saturday's sale was no exception, the Bullers were happy enough with the averages of \$1211 for joined cows (most of which were offered with calves at foot), \$1300 for mated stud heifers and \$817 for unjoined stud heifers.

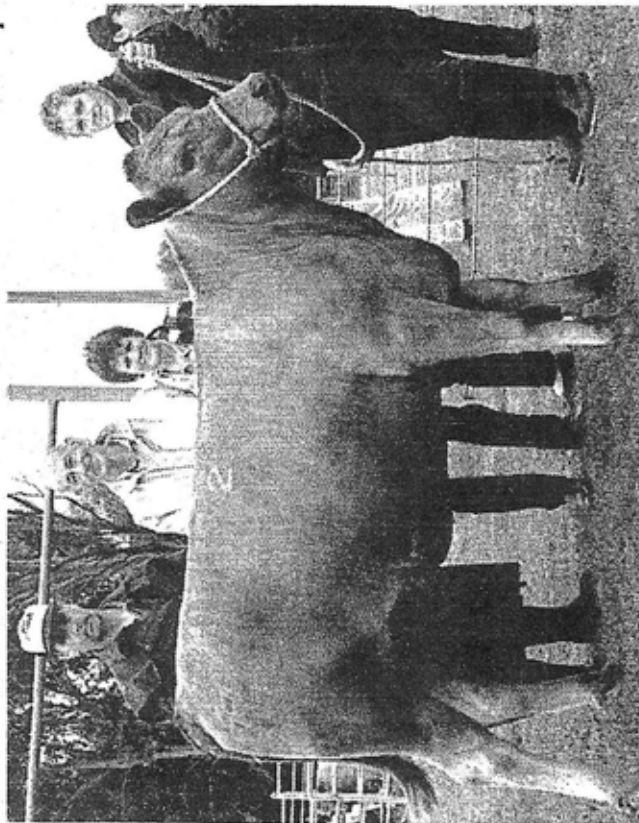

## LIVESTOCK

### Quality Murray Grey stud sires sell to \$3800 top at Kojonup fixture

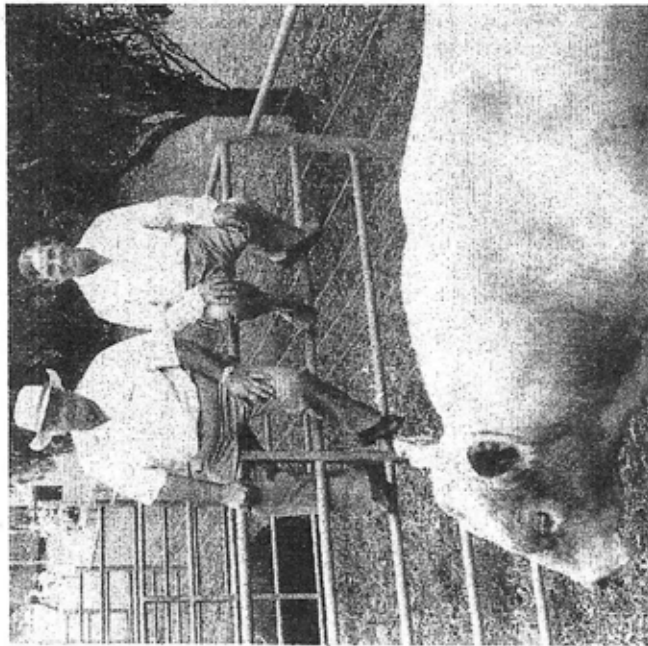

BY TREVOR EMERY  
MURRAY GREY quality all the way and prices to match was the order of the day at Kojonup last Saturday for the combined second annual production sale for Gary and Julie Buller's Monterey stud and the complete dispersal of John and Francine Caldwell's Walyaming stud.

An almost total clearance of lots saw mated stud cows with a calf at foot sell to a top of \$3500, joined stud females selling to \$1500, unjoined stud heifers to \$1100, stud sires to \$3800 and mated commercial heifers to \$980.

Buyers crammed the Knutsford selling complex and signalled their appetite for the quality of the offering from the outset when a bidding blitz saw 118 rising 2yo mated Murray Grey commercial heifers sell to a staggering high of \$980 to average \$756.36.

One of Monterey sale's star lots, Monterey Eleanor 2nd, with vendor Gary Buller, left, buyers Kevin and Valda Stevens, of Valda-Lydia stud, Mandella. Holding the heifer is Lisa Cortidas, of Knutsford.

Brothers Colin (left) and Gae Randazzo, Belranda stud, Baldvis, look over the \$3800 sire, Hollywood Purple Sage, they bought from the Walyaming dispersal sale at Kojonup last Saturday.

IMPROVING YOUR BOTTOM LINE

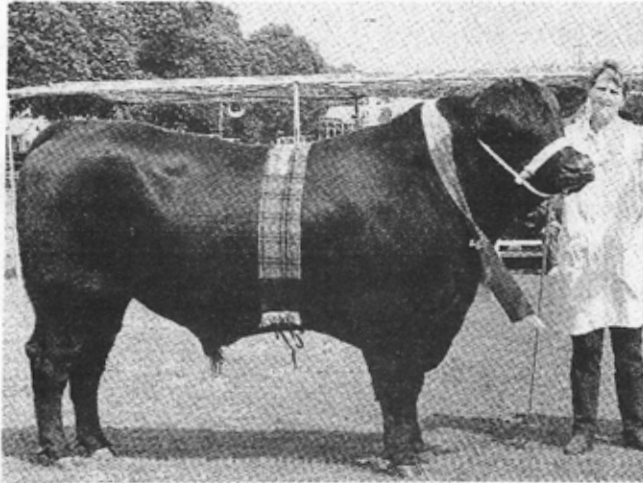

## FOUNDATION ANGUS SIRES

### Wilco Neptune share sold

A QUARTER share in Neptune Wilco, the Angus bull which took top price of \$20,000 at the 1987 Beef Classic as well as senior and grand champion at the 1986 Perth Royal Show, changed hands recently.

Neptune has become the AI sire in Gary and Julie Buller's Karridale Angus stud following negotiations with John and Beth McKay of Wilson Downs, Cunderdin, who had retained a quarter share after selling the bull in 1987. The share comprises some 390 straws.

Neptune's honours includes the Supreme of his breed award. He was taken to Sydney where he stood as senior and grand champion bull and supreme of breed at the 1987 Sydney Royal Easter Show.

*Neptune Wilco when he stood as senior and grand champion at the Perth Royal Show in 1986 before going on to become Supreme of his breed.*

Earlier he had picked up the junior and grand champion awards at the Canberra Royal

Show and he has since picked up many broad ribbons, including all breeds champion bull at Tamworth during 1988.

Neptune is a frame score 7 bull with excellent topline, feet and legs as well as an outstanding temperament.

At the Sydney Royal Show, the judge described Neptune as the most outstanding bull he had seen in 35 years in the stud industry.

Mr Buller said acquiring this sire was an outstanding coup for the Karridale stud and the Angus breed in WA.
