

Richmond Hill Angus Autumn Sale

22nd Of March 2022 at 2:30pm
Featuring
20 Bulls And 8 Cows

Welcome

Richmond Hill Angus
2022 Autumn Sale

This year we are holding our annual sale on the 22nd of March at 2:30pm on the Auctions Plus platform. We will have our sale team yarded for inspections on Sunday the 20th from 10am to 2pm and on the sale day from 1pm until the close of sale. The sale includes a group of select stud females and our pick of the 2020 bull drop. We will have light refreshments available on the open day and sale

day.

Our selected group of females will be made up of mixed age mature cows, they will all be pregnancy tested. All our females calve in spring and are joined AI and to Richmond Hill sires. This is an excellent opportunity to purchase some of the family lines that have worked so well for us over many years. These are all proven cows that have performed well in our herd and have raised a good calf year after year.

All the sale bulls are pasture raised and kept at an ideal condition for longevity. They have been scanned, structurally and temperament assessed in January by Bovine Scanning Service. They are semen and pesti tested and are guaranteed for 12 months. All the bulls have been sire verified and genomics tested. This is an opportunity to purchase

top genetics that are proven to perform well in Tasmania. Among this years sale group there are sons of GAR Ashland, Prime Katapult and Baldrige 38 Special sons. These are all new to us sires in the 2020 calving year.

This group of bulls are the first line of ours to be freeze branded, this was done in late January. We decided to freeze brand this year due to popular demand, it will make identifying them a lot easier if they lose a tag. In the past we have tattooed them.

We have been building our base herd for over 60 years with genetics from over the world. Our cattle are selected on what performs in our environment. They are pasture raised and the only supplementary feed given is hay.

To arrange an alternate viewing or for more information on our bulls call Derryn on 0438 348 045 email dbadcock@me.com or Max on 0428 973 348. Selling agents are Reg 0448 961 591 and Chelsea 0447 426 629 from Webb & Woodiwiss Livestock Marketing.

Inspections

Sunday the 20th of March 10am to 2 pm

Tuesday the 22nd of March from 1pm to the finish of the sale

260 Liffey Road, Bishopsbourne, Tas, 7301

All Bulls are

- ✓ **Guaranteed**, any bull found to be infertile or breaks down due to reasons other than injury or disease will be replaced on presentation of veterinary certificate of same within 12 months of date of purchase.
- ✓ Tested free for **PI** carriers.
- ✓ **Semen tested** by Robertson Livestock Services.
- ✓ **Ultrasound** and **structurally assessed** by bovine scanning services.
- ✓ Vaccinated with **7in1**, boosters then annually in June.
- ✓ Vaccinated twice with Pestiguard as calves with a booster due annually in June.
- ✓ Vaccinated prior to the sale with Vibriovax.
- ✓ Tagged and **weighed** at birth.
- ✓ **Genomics** tested.
- ✓ Recorded for treatments, movements, pedigree, dates and weights from before birth to leaving the property.
- ✓ Freeze branded prior to the sale.

All Females Are

- ✓ **Pregnancy tested** by Deep Creek Cattle Services (ultrasound).
- ✓ Vaccinated with **7in1**, boosters then annually in June.
- ✓ Tagged and **weighed** at birth.
- ✓ Recorded for treatments, movements, pedigree, dates and weights from before birth to leaving the property.

Transfers

All Bulls are transferred. Females are transferred upon request with a minimum purchase price of **\$3,000**, their calf will be retained.

Insurance

Insurance is the responsibility of the purchaser upon the sale of the animal.

Biosecurity

We have a score of **J-BAS 6**.

Outside Agents

We offer a 4% outside agent rebate for accounts settled within 7 days.

Auctions Plus

Bidding can be done yourself on the auctions plus platform or by contacting our agents on property at the time of the sale.

Freight

We offer free transport within mainland Tasmania and the islands on bulls. We also offer assistance on bulls to Melbourne. Due to the amount of cattle and the size of our truck. Most deliveries will be by livestock carriers.
