Please bring this catalogue with you to the sale.

Welcome, all cattle breeders to our 9th Annual Bull Sale.

It is with great pride that I introduce to you the bulls for our 9th annual bull sale in a year that has seen many challenges. This is our 50th year of breeding registered Shorthorn cattle, purchasing three daughters of Karoola Itma with heifer calves at foot from Uncle Edwin Withers and his eldest son Phil at Nalpa Station, Strathalbyn SA, in the spring of 1971. Karoola Itma was sired by the great imported USA bull Priam Royal Leader, both were roan and homozygous polled. These were added to the 36 cows registered through the SFA system from our commercial herd which represented the work of three generations of Withers Family.

This was also the year Sally and I were engaged and we spent the next eight years at Belmore Station on the SA border over 100km north west of Wentworth, with Renmark our nearest shop only two kilometres closer. In 1979 we sold Belmore and moved to Exmoor where we farmed and lived for 42 years until October 2021, selling Exmoor to Willoway Farming. In July '21 we purchased "Little Belmore" at 1020 Boddingtons-West Road, Wild Dog Valley, as a bull raising block and only a day after settling on Exmoor took over "Yatana" a superb, picturesque and desirable farm at 1437 Coles-Killanoola Road, Spence. On Terra Rosa soil with underlying limestone and shallow water, we feel very fortunate to have bought such an excellent property which is being managed by Garry and Margaret Sims. Ali is handling all the performance recording, registrations and along with Garry the tattooing and weighing. We have just installed a full Taurus Squeeze EID crush from Te Pari at Yatana making cattle handling there a breeze.

Our bulls this year have not had an ideal preparation as we have not had a cattle yard worthy of being called such as "Little Belmore". A Te Pari circular yard ordered in October is yet to arrive, although we have just taken delivery of the crush. Due to the inadequate status of the yards we will not be semen testing our bulls this year. We offer the bulls with a guarantee that they are fertile within six months of sale.

The bulls have been supplementary fed since January in preparation for sale day and their working life, and are in good fit condition. Belmore bulls are run in large groups, do not get clipped or hoof trimmed and are vigorously selected on structure, temperament, polledness and hair type. Good udders on females have long been an important selection trait, along with testicles and sheaths on bulls. Any animal not meeting these criteria make for a rather profitable steer!

We have made some incredible, lifelong, friendships amongst our Shorthorn family and have shared some wonderful genetics with wonderful people. Even our current sire Royalla Tremain M260 is shared with Ken, Betty, Craig and Marie Morton in NZ, and Spencer and Sophie Morgan and family from "The Grove", QLD. I can't help but wonder which of our sires over our fifty years have left the biggest legacy. It is a rather large list including two Yamburgan Corkers, Gumble Hamish, Mandalong Blotch, Belmore Washington N6, The Grove Kookaburra W735, Northern Legend 3N and his son Belmore Quantur G193. We hope Royalla Tremain and Yamburgan Gigabytes M1052 join the list, along with The Grove Playstation P0870 who is perhaps phenotypically the best bull we've had, he looks unbelievable 360 days of the year!

Sally, Ali and I welcome you to our 9th annual bull sale. You are invited to join us in celebrating our 50th anniversary with a steak sandwich prior to the sale. Thank you to the Thompson family for allowing us to use the Stoney Point Sale Complex they have purchased from Perry Gunner. It is a wonderful facility for having a bull sale. Due to continued COVID-19 uncertainty and social distancing requirements we will be continuing to sell off the screens with all bulls left in their inspection pens. This concept has been met with great approval from some of our oldest clients.

Thank you to all our bull and female clients and we wish you well with your purchases.

Yours sincerely,

Andy Withers

Sale Terms and Conditions and Freight

Elders and Nutrien are the selling agents. The sale will operate under the usual terms and conditions of livestock auction sales. All lots will be sold exclusive of GST. Bulls are at the purchaser's risk from the fall of the hammer. We recommend all bulls be insured.

Inspection: Bulls can be inspected prior to sale, by arrangement with the Vendor or Selling Agents or on sale day from 10am. All inspections will be in line with up to date COVID19 Government regulations. Please contact the Vendor or Selling Agents for video footage of Lots prior to the sale.

Rebate: An outside agent rebate of 3% will be offered to agents introducing buyers in writing to the selling agent within 24 hours prior to the sale and settling within 7 days.

AuctionsPlus: This sale is interfaced with AuctionsPlus. This will allow remote bidders to operate in the sale from their location via a smart phone, tablet or computer. Prospective bidders must register at least 24 hours prior to the sale with AuctionsPlus at www.auctionsplus.com.au.

Phone orders: Mobile phones operate successfully at the sale venue. If you are unable to attend the auction we encourage you to make arrangements with the Selling Agents or Vendor if you wish to be contacted during the sale to place bids. Please make arrangements at least 48 hours before the sale.

Health: All herds have a J-BAS 8 score. Bulls have been vaccinated with 7in1, Vibriovax & Pestiguard as per Zoetis STAR program.

Bull guarantee: All bulls are guaranteed to be breeders with the exception of:

- a) In the event of injury or disease that occurs to the animal after the sale
- b) Gross negligence or wilful misconduct on the part of the purchaser.

Any complaint must be lodged in writing with a relevant Veterinary Certificate within 6 months of the Sale direct to the vendor.

Transport: To be co-ordinated immediately after the sale, either to be trucked directly or arrangements made with vendor to paddock animal/s until transport available. Bulls will be delivered free within South Australia and all bulls sold interstate will be freight assisted. These conditions apply only if transport is arranged by the vendor.

Accommodation: For recommendations please contact the selling agents or vendors.

EPD Quick Reference Guide

An EPD is an Expected Progeny Difference and it uses all the available information we have to describe an animal's DNA for a specific trait. The EPD uses the animal's own performance in its calculation but it is not describing the performance of the animal, it reflects the predicted performance differences of the OFFSPRING, not the phenotype of the animal.

- CE-D:** CALVING EASE DIRECT - % of extra unassisted births in heifers. Positive values are more favourable.
- CE-M:** CALVING EASE MATERNAL - % of extra unassisted births in 1st calving heifers. Positive values are more favourable.
- BWT:** BIRTH WEIGHT - pounds of birth weight.
- WWT:** WEANING WEIGHT - pounds of weaning weight adjusted to 205 days.
- YWT:** YEARLING WEIGHT - pounds of yearling weight adjusted to 365 days of age.
- MILK:** MILK - pounds of weaning weight of daughters' progeny due to milk production.
- MWW:** MATERNAL WEANING WEIGHT - pounds of weaning weight of daughters' progeny due to milk and growth.
- STAY:** STAYABILITY - % of daughters remaining in the herd at 6 years of age. Positive values are more favourable.
- DOC:** DOCILITY - % of progeny receiving a docility score of 1 (ideal). Positive values are more favourable.
- CWT:** CARCASE WEIGHT - pounds of carcass weight.
- REA:** RIB EYE AREA - rib eye area in square inches.
- FAT:** RIB FAT - rib fat in inches.
- YG:** YIELD GRADE - lower yield grade scores are more favourable, based on USDA yield grade score.
- MS:** MARBLE SCORE - differences in carcass marble scores. Positive values are more favourable.
- API \$:** API \$INDEX - All Purpose Index is sires used in self replacing cow herd with progeny marketed for both quality and yield.
- RANK:** RANK% - EPD ranking relative to Shorthorn percentile band, lower % values usually more favourable.

Belmore Shorthorns Annual Bull Sale

Stoney Point Sale Complex, Naracoorte, SA
Thursday April 21st 2022

All bulls at the sale will be STAR BREEDER program accredited. This program aims to maximise the reproductive integrity and health of stud stock.

Each STAR BREEDER certified animal at the sale has been:

- ✓ Tested to show that they are not Bovine Viral Diarrhoea Virus (BVDV) Persistently Infected (PI) animals
- ✓ **Vaccinated against Pestivirus (BVDV)** to ensure they are protected from the effects of this infection
- ✓ **Vaccinated against Leptospirosis**, a reproductive disease and potential WH&S risk for cattle handlers
- ✓ **Vaccinated against Vibriosis**, a sexually transmitted cattle disease

You can be confident that every step has been taken to ensure these animals presented for sale will not introduce preventable reproductive diseases into your herd.
