Welcome to our 11th Annual Winter Sale.

How lucky we are to live in WA compared to other parts of Australia and in particular, overseas.

Our beef market has gone from strength to strength compared to this time last year (we thought it was pretty good then!). Weaner prices have soared as well as prices for cows and cull bulls. It's been an exciting time to be part of the Beef Industry.

Our sale team is certainly one we are very proud of. The depth of quality throughout both the Angus and Murray Greys catalogued is very impressive.

There is an excellent balance of power bulls with real grunt, loads of versatile types that could be used on cows but safe to use on heifers, as well as a terrific group of 'sleep easy' heifer bulls.

Both the Murray Greys and Angus feature many proven sires, with a good balance of new sires.

It's always great to see clients topping sales with weaners, grown steers, mated heifers, and in the fat pens. Special mention must go to the Burnett family of Maefair Murray Greys, who claimed Grand Champion MG bull and Supreme Exhibit at this year's Sydney Royal. Also, to Scott River Trading who topped the Nutrien Specially Selected Heifer Sale in January when they sold Murray Grey PTIC heifers to a new State record of \$4500.

Congratulations to the many clients who seem to top sales of one description or another almost every week.

Our breeding focus is on 'actuals' – weight for age, EMA and yield and structural integrity– traits that reward your hip pocket.

This year's sale will be interfaced on Auctions Plus. If we, or our agents, Alec or Jamie, can be of any assistance, just ask.

Wishing you all the best for the remainder of the season.

*Gary and Julie*
