## Mystic Angus Production Sale

#### SATURDAY, 21<sup>ST</sup> MAY, 2022

All cattle will be available on the 21st of May 2022 at 103 Hooper Rd Goorambat Vic from 11am for inspection please feel free to come along and check out our sale team.

#### FRIDAY, 27<sup>TH</sup> MAY, 2022

Bidding opens via AuctionsPlus starting at Friday, 27th of May 1pm, Saturday, 28th of May 2022 1pm sale closes on AuctionsPlus, timer controlled by bidding activity. All lots are offered simultaneously.

MYSTIC ANGUS STUD PRINCIPALS Tom, James, Lucy, Edward & Archie Wilkinson

#### MYSTIC ANGUS CONTACT

Peter Wilkinson 0412 658 418 accounts@woollahragrazing.com.au

ELDERS AGENT Jenni O'Sullivan 0428 222 080

## Welcome

Welcome to our First production sale we hope you enjoy what we have to offer.

5 x 18month old Stud Bulls

9 x Yearling Commercial Bulls

3 x ET Calves

4 x Embryo Packages

4 x Semen Packages

We are very proud to offer 5 stud bulls which are from outstanding imported genetics and by some of Australia's leading Sires.

All 9 of the commercial bulls are By Te Mania Morino M452 and are out of outstanding hand selected commercial Team Te Mania cows.

2 of the 3 ET calves are by the very popular Chisum 255 which has bred so well for Millah Murrah Angus Stud. The other calf is by GAR Bonfire and is an absolute stand out. This Bull calf will develop into an outstanding sire with excellent figures to back him up.

The 4 Embryo packages are out of our 4 best cows these joinings will not disappoint.

The 4 semen Packages are from Dunoon Pathway P1379 who's Progeny are of excellent temperament, outstanding confirmation and structure. Pathways is backed with a truck load of performance with 9 of his traits being in the top 20% of the breed.

Tom, Tames, Lucy, Edward & Archie Wilkinson

# Sale Information

#### HERD HEALTH

Mystic Angus is LPA Accredited and JBAS 6.

All bulls have been vaccinated with 7 in 1, Vibrax, and Pestigard.

All bulls have been ear notched and tested free of pestivirus.

All bulls have been inspected and undergone a thorough vet check by Brad Goonan.

All bulls have undergone a full structural and fertility soundness evaluation and are offered at the time of the sale as sound breeding bulls.

#### DNA

Stud bulls have been DNA Genomic tested and their results are incorporated into their EBVs.

#### WARRANTY

Warranty

If in the next 6 months a bull becomes infertile or breaks down, provided it is not from injury or disease contracted after it has left our possession then we will offer a suitable replacement or a credit at our next bull sale.

#### **TRANSFERS**

The vendor will transfer ownership of the animals to the purchaser on the Angus Australia database.

#### **VENDOR DISCLAIMER**

All reasonable care and attention has been paid to accuracy in the compilation of this catalogue, neither the vendors nor the selling agents or representatives there of resume any responsibility what so ever for the correctness, use or interpretation of the information on animals included in this sale catalogue.

Prospective purchasers should satisfy themselves by enquiry or inspection to the accuracy.

#### ANGUS AUSTRALIA DISCLAIMER

Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that

the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.

#### EMBRYO EXPECTED AVERAGE PROGENY VALUES

Expected average progeny values are provided to assist breeders estimate the outcome of particular mating combinations. The actual EBVs for any individual progeny resulting from a particular mating are likely to vary from the expected average values.

#### PARENT VERIFICATION SUFFIXES

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name.

**PV**: both parents have been verified by DNA.

SV: the sire has been verified by DNA.

DV: the dam has been verified by DNA.

#: DNA verification has not been conducted.

**E:** DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.

#### PRIVACY INFORMATION

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances.

If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must notify in writing to Angus Australia. If Angus Australia is not notified, then the buyer will be taken to have consented to the disclosure of such information.
