20	LNA	LNAPS019	LNA Livestock Maternal S019	30/06/2021	LNA Livestock are proud to offer a very sweet & stylish heifer. LNA Livestock Maternal is a feminine, clean made, super sound and stylish young heifer. We believe Maternal, just like her mother has plenty of great traits to bring to her purchaser that will breed on through her progeny. She sells with a straw of Longevity! Free delivery to the purchaser of S019 to all major sale centres within Australia.	Y	Y	Not detected pregnant. No abnormalities noted. 6/06/22	No	
21	GBL	GBLPS109	GB Livestock Lady Miss S109	27/03/2021	This young female sure has the style and look I believe to make a top cow in any herd. She's homozygous red homozygous polled and is backed by both two very strong and productive pedigrees out of some very well known herds in North America. Please note GB livestock are keeping some full sisters to this heifer that are black hidid. Heifer will be AI to Harvie's Red Summit.	Y	Y	Not detected pregnant 3/6/2022. AI'd 10/05/22.	No	
22	SBV	SBVPS004	Knockando Black Sapphire	14/03/2021	A stylish black heifer with open ribs, tremendous depth and good length of body our of Savannah Casey (Blanche J236 / Bootlegger) and sired by Hart State of War, who brings low birth weight whilst still adding power and carcass. Halter trained, she comes from an accredited J-Bas 8 herd.	Y	Y	Not detected pregnant. No abnormalities detected. 20/05/2022	No	459kg as at 8/6/22
23	BYW	BYWPR003	Bywong Park Beauty R003	17/08/2020	R003 is a stylish heifer sired by Valley Creek Riddler N005. She is out of a long line of Beauty cows who have been retained in herd due to their terrific mothering traits. She was depastured to Bonnydale Dividend R105 on the 02/09/2021 and will have a confirmed due date prior to sale. She is fully vaccinated and drenched.	Y	Y	8 months PTIC 24/05/22	Unknown
