# Stud Overview

Welcome all to Country Style Simmental Stud's Inaugural Champion's Choice Sale and we first like to thank you all for your support.

Established in 2013, Country Style Simmental Stud began with Adam Sciberras' purchase of Valley Creek Hope. At just 11 years old, Adam took this heifer on to win Reserve Junior Champion Female at his first show, the 2014 Sydney Royal Easter Show.

With the opportunity to have purchased genetics from many established Simmental Studs Australia-wide including Barana, Mavstar, Wormbete, Mala-Daki, Tennysonvale, Meldon Park and Woonallee to name a few, the stud has now grow to approximately 60 breeders.

Based in Eumungerie NSW, Country Style Simmental Stud is managed by Adam along with his fiancé Micquella who has also grown up showing cattle for many studs throughout NSW with a background in high-level Junior Judging.

Our sale selection of all home-bred animals includes a number of bulls and females from our 2022 Sydney Royal Easter Show team with many ribbons under their belt from this show season.

Sires of the animals on offer include Valley Creek Nadal and Mavstar Ponoka, two outstanding sires contributing fertility, strong growth traits and ideal temperaments to their calves.

Our breeding program places great emphasis on structural correctness and reproductive efficiency as a means of attaining longevity and premium performance out of our animals. The animals selected for this sale are from proven genetic lines with the potential and capability to offer tremendous genetic benefits to any commercial or stud herds they enter.

Please contact Adam or Micquella for any enquiries including animal viewings and once again we appreciate everyone for the support provided including Paul Jameson and Tyla Comerford from Elders Stud-Stock.

We look forward to speaking with you all.
