Welcome to the

COFFIN CREEK ANGUS 11th ANNUAL BULL SALE

On Property

1pm THURSDAY
18th AUGUST 2022

SALE ALSO INTERFACED WITH

 AuctionsPlus™

OPEN DAY: FRIDAY 29th JULY 2022

Welcome to our 11th annual bull sale and 31st year of breeding registered Angus cattle. We are pleased to present 55 bulls for sale this year, our largest sale draft to date.

At Coffin Creek, we ultimately set out to breed even lines of Angus cattle with structural integrity and industry versatility. We do this through a combination of diligent sire selection and continuous, commercially relevant selection pressure on our cow herd.

The new sire groups this year include Milwillah Nardoo N155 (11 sons) and Coffin Creek Joker Q25 (7 sons) as well as Millah Murrah Milestone M308 (14 sons) and Baldrige Command (10 sons).

We are also excited to be offering sons from a number of homebred bulls. These bulls all come from quality dam lines and include 12 sons of Coffin Creek Parallel P86, Coffin Creek Kruse Time Q20 and Coffin Creek Hallmark Q86.

Of the 55 bulls in the sale, at least 30 of them are suitable for use over heifers, with short gestation, moderate birth weights and positive calving ease indicators.

We welcome the inspection of our cattle at any time, and also invite you to our Open Day on Friday 29th of July as part of The Land's Southern Beef Week 2022. Video captured in July, along with individual images and videos of the bulls can be seen on our website. The sale will also be interfaced with Auctions Plus.

Finally, we would like to make a special mention and extend our enormous gratitude to Steve Rose of McDonald Lawson Carter (and previously Peter Druitt and Co), for many years of business, advice and friendship. Rosey has been an integral part of the Coffin Creek team since the beginning and we wish him and his family all the best in the next chapter of his career.

Please get in touch if you'd like any more information, and we hope to see you on sale day.

With thanks,

The White Family

TIME & PLACE:

1pm on the 18th of August 2022 at the Bara Yards, Hayes Gap Road, Mudgee, NSW. See map on inside back cover.

SELLING AGENTS:

McDonald Lawson Carter Pty Ltd, 73 Church Street, Mudgee.
Bill Lawson: 0427 723 369, Terry McDonald: 0407 259 224
Andy Carter: 0429 721 442, Steve Rose: 0428 294 928
 Auctioneer: **Paul Dooley: 0458 662 646**

ON OFFER:

55 bulls are catalogued for sale. The bulls will sell aged 15-16 months. They will be penned in small groups for your inspection from 10am on the morning of the sale.

FORMAT:

All lots will sell through the sale ring under normal auction conditions. Successful purchasers are requested to give written advice (see Buyers Instruction Slip at back of catalogue) to the Selling Agents regarding transport arrangements at the conclusion of the sale. Buyers are encouraged to insure their bulls upon purchase. An insurance representative will be available on the day. All bulls are sold exclusive of GST.

ONLINE BIDDING:

The sale will be interfaced with  AuctionsPlus™
 Prior online registration is required to bid using this system.

REBATE:

We offer a 2% rebate to outside agents registering buyers in writing 24 hours prior to the sale, and settling on their behalf within 7 days of the date of invoice.

SEMEN RIGHTS:

We retain the right to collect up to 500 straws of semen from any bull in this catalogue. Semen would be used in our herd only and collection would be at the bull owners' convenience and our expense.

SALE SAFETY:

The unfamiliar environment of sale day can sometimes cause unexpected behaviour in bulls. Please remember to exercise caution around them. No children are to enter the pens. Do not over crowd the pens. Please ask one of our team for assistance with moving or standing up bulls if required.

COVID-19:

We will be abiding by any necessary COVID-19 requirements as stipulated by the NSW government. We encourage prospective buyers to register online prior to sale, and will be keeping our website up to date regarding any changes to the format of the sale.

WHY BUY A YEARLING BULL?

Adaptability | Longevity | Mobility | Genetic Gain

OUR BULLS ARE:**Registered & Performance Recorded**

All bulls are fully registered with Angus Australia and all traits have been analysed by TACE. We also provide relevant raw data on the bulls including scans and weights.

**DNA Verified**

All bulls have genomically enhanced EBV profiles, are tested for recessive genetic defects and are DNA verified to either sire or mating. All bulls are also tested negative for Pestivirus.

**Vaccinated & Drenched**

2 x Ultravac 7 in 1 (Booster 17/01/22)
 2 x Pestiguard (Booster 17/01/22)
 2 x Vibrovax (Booster 07/06/22)
 1 x MultiMin (07/06/22)
 Moximax Pour On (07/06/22)

**Vet Checked**

On 05/07/22 Dr Wes Rohr from Cudgegong Valley Vets passed all bulls as fit for immediate use. Assessment included: Reproductive soundness including inspection of penis, palpation and measurement of testicles, eye ball clarity and foot/leg structure as well as general locomotion.
 Please note: No bull has ever had its feet trimmed.

**Semen Morphology Tested**

On 07/06/22 Brendan Coonan from Northern Artificial Breeders conducted semen motility and morphology tests on the bulls. All bulls in the sale achieved the minimum standard of 70% normal sperm quality.

**Screened for Temperament**

Our bulls are rigorously tested for temperament from an early age, often assessed on an individual basis. They have been handled with motorbikes, vehicles, horses, dogs and on foot.

**Delivered Free of Charge**

We organise and pay for the freight. Please note that delivery of the bulls will not commence until Saturday 20th August.

PAST STEER TRIAL RESULTS

2021 - First Place, Virtual Taste Test, Silver Carcase Medal (Class 9), Bronze Carcase Medal (Class 8), Open Middleweight Steer, Purebred Steer Competition, Sydney Royal Easter Show, exhibited by The Kings School

2018 - First Place, MSA Eating Quality, Seventh Place Weight Gain, Eighth Place Overall & Highest Placed pure bred Angus Team, RNA Paddock to Palate, EKKA, Brisbane, QLD

2015 - Champion Pen of 6 Carcases, RNA Paddock to Palate 70 Day Trade Steer Competition, the EKKA, Brisbane, QLD

2015 - Champion Carcase, RNA Paddock to Palate 70 Day Trade Steer Competition, presented at the EKKA, Brisbane, QLD

2015 - Second Overall, RNA Paddock to Palate 70 Day Trade Steer Competition, presented at the EKKA, Brisbane, QLD

2013 - First Place, Live-weight Gain on Grain, Australian National Field Day Orange, NSW

2013 - Reserve Champion Individual Live Steer Australian National Field Day, Orange, NSW

2012 - Noel Williams Shield for Best Angus Steer Carcase, Sydney Royal Easter Show, exhibited by Mudgee High School

2011 - Champion Pen of Three Steers, Hoof and Hook Beef Spectacular, Dubbo, NSW

2010 - Champion Team of Steers, Heavy Weight Class, Australian National Field Day, Orange, NSW

2010 - Second Place, Best Live Steer, Australian National Field Day, Orange, NSW

2008 - First Place, Best Individual Steer Carcase, Australian National Field Day, Orange, NSW

2007 - First Place, Breeders Group of Three Carcases, Open Steer Section, Sydney Royal Easter Show, NSW

2006 - Reserve Champion Middleweight Carcase, Open Steer Section Sydney Royal Easter Show, NSW

Lot 5 - Coffin Creek S147 at 15 months

MILWILLAH NARDOO N155^{SV}

N155 at 2 Years

Nardoo was the \$62,500 high selling bull at the 2019 Milwillah Angus bull sale. He displays enormous body capacity and terrific doing ease as well as a strong hindquarter. Structurally excellent, Nardoo carries optimal scores for feet and legs. His sons here are deep & stylish with their sire's powerful growth pattern. One thing we love in a sire is consistency, like peas in a pod, they are so uniform it is difficult to pick a favourite. They are powerful bulls with wide-ranging commercial application.

COFFIN CREEK JOKER Q25^{PV}

Q25 at 15 Months

DAM: Millah Murrah Prue L143

Q25 topped our 2020 Bull Sale selling for \$24,000 to Arden Angus. Born at 37kg, he then weighed the heaviest in his year group at every check point through to 400 days. He also recorded an incredible set of raw data with 113cm EMA, 6.2% IMF and 42cm scrotal. Contrary to what his EBVs would suggest, Q25's sons were the highest scanning IMF sire group in a cohort of 81 bulls. His dam recently went back into the ET program and we are so impressed with his calves that we recently used him by AI for the third straight year.

MILLAH MURRAH MILESTONE M308^{PV}

We are thrilled to offer the second year of progeny of Milestone M308. He commands the attention of anyone who views him and as a result his semen continues to sell with over \$35,000 in revenue. He is well balanced with a strong head, beautiful neck extension and free movement. His calves are consistently stamped with his shape and outlook, ideal for breeders looking to inject a bit of old fashioned style into their cattle. Milestone's genetic profile includes calving ease, short gestation, excellent fertility with strong carcass traits.

BALDRIDGE COMMAND C036^{PV}

Command was used as an outcross bull on a big cross section of the herd with outstanding results. Born light, his calves then have an explosive growth pattern, displaying incredible body dimension on a moderate frame. From an early age they fill the full width of the crush and do not disappoint for weight on the scales. On paper, they offer improved EBV performance including calving ease, growth and strong carcass attributes without sacrificing on constitution or structure.

3**COFFIN CREEK S62^{SV}**

S62 at 15 Months

Command sons were the highest averaging sire group last year and with bulls like this in the mix, it would be no surprise to see that trend continue in 2022. A heifer's calf, he is a powerful young bull with an enormous mid-section and butt profile. Suitable for use over heifers.

S42 at 15 Months

S42 exhibits extra depth and body capacity which translates into excellent weight across the scales. He comes from a 10 year old cow Abigail H45 who had a cracking M308 son sell last year and has over \$20,000 in progeny sales. Suitable for use over heifers.

IMPORTANT NOTICES FOR PURCHASERS

~ SALE CATALOGUE DISCLAIMER ~

All reasonable care has been taken by the vendor to ensure that the information provided in this catalogue is correct at the time of publication. However, neither the vendor nor the selling agents make any other representations about the accuracy, reliability or completeness of any information provided in this catalogue and do not assume any responsibility for the use or interpretation of the information included in this catalogue. You are encouraged to seek independent verification of any information contained in this catalogue before relying on such information.

~ DNA PATERNITY VERIFICATION ~

It is a requirement of Angus Australia that all bulls used to sire calves for registration in the Angus Australia Herd Book Register, Red Angus Register or Angus Performance Register must have been DNA paternity verified if they are born in or after the 'Y' year (2003). Buyers intending to use bulls listed in this catalogue to produce calves to be registered in these registers should obtain DNA paternity verification on those bulls before they are used for breeding.

~ PRIVACY INFORMATION ~

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.
