Welcome to the Golden Opportunity Cattle Sale

'Your one stop re-stocker shop'

The vision for the sale is to incorporate a commercial female sale with a multi-breed stud bull sale and bring it to the heart of the North West NSW greater area.

'Your one stop re-stocker shop' will include a good selection of commercial females and 60 bulls.

9 stud breeders were specifically selected to provide high quality commercially orientated bulls to suit the western conditions. There will also be the opportunity to purchase 20 stud females and 10 potential show steers.

The central location of Coonamble was chosen to bring high quality stud cattle to that area. The Coonamble district has really gotten behind the sale with many local business's and the Coonamble shire council has given us great support.

The Commercial Female Sale will be held at 10am at the Coonamble Saleyards and simulcast on AuctionsPlus.

The Multi Breed Stud Bull and Female Sale will be held at the Terminus hotel at 2pm and simulcast on AuctionsPlus. The stud cattle will be available for inspection at the Coonamble saleyards from 1pm Tuesday 30/08/2022 and on sale day.

We invite all interested parties to a social function at the Terminus at 6pm 30/08/2022 for a meet and greet. The Terminus will also be hosting the stud sale and providing complementary food and drinks prior and after the stud sale.

We have got plenty of rooms pre booked, if you intend on staying at Coonamble please let us know so we can help accommodate you. Our sale partners, The Terminus and Castlereagh Lodge are our preferred places to stay.

Please feel free to contact Elders or any of the Vendors if you would like more information about the sale.

Natty picked this Stud out as a calf and we are glad she did. Rambo is bred in the Purple by Caloona Park Nugget. His granddam is, was, and always will be a favorite at Myona, being Opal Girl, who went on to win Grand Champion at Melbourne Royal. Rambo is a very phenotypically correct Charolais bull, has great potential to add a little more weight and length into his progeny. Well worth a second and third inspection. 7 in 1, Pesti, Vibro and 3 germ vaccinations and semen tested

It's a real shame we don't have more Stud Murray greys because if we did "Red" wouldn't be leaving. Myona used Red Pepper over all the commercial heifers as a yearling and gee, aren't his calves impressive! Yes, there will be a select few in the commercial sale. A moderate frame with a bit of extra thickness over that top line and down the rear end. A low birthweight bull that can be used over heifers or cows! We have the proof.... 7 in 1, Pesti, Vibro and 3 germ vaccinations and semen tested

WOW. That is the only way to describe this pair! By our amazing exclusive sire SVY Grizzly and goes back to one of the first Palgrove cows we brought. O6 was the heifer of our TOP 3 breeders group at Sydney show 2021 and has never been beaten in her class at any show. She has the easy doing ability we like to see and a great udder. If you can take your eyes off her and look at her calf you will see a true stud sire in the making. He is by Myona Quiz O8, who is also offered in this sale. We think this cow has more to prove in the show ring, so we have entered her into Melbourne show and we will transfer the entries to the exhibitor that is lucky enough to call Regality theirs. Lot 61 MYONA PENNY R15 (AI) (P)
 BEVERLEY A HOGLAND & STEPHEN MARTIN - 0435 092 023

Charolais Tattoo: MYO R15E Coat: White
 DOB: 20-12-2020 Horn:

Here you have the Golden Opportunity to get one of the best heifers from the Myona herd, a female that will become a top donor. Penny won her class at Sydney this year, Judge Scott Myres said, "she has great strength of spine, lovely neck extension and will become a great cow." Penny was the pick of all the heifers born in 2020 and it was a hard decision to sell her, but our loss will be someone else's gain. R15 is preg tested in calf to SVY Trust the \$128,000 Canadian Sire which we have exclusive rights to. We have entered her into Melbourne Royal and we will transfer the entry to the new owner. If you are looking for a female that has a big, big future in the Charolais world DO NOT MISS THIS OPPORTUNITY. Vaccinations: 7 in 1 and Pesti
