Te-Angie Herefords

"Forest Lodge", 161 Hickeys Rd, Wongwibinda, NSW, 2350

# Welcome

## **Welcome to the Te-Angie Bull Sale 2022**

We are pleased to offer 39 tremendous young bulls, of whom have been all Low Density Genotyped. Free of genetic conditions, allowing peace of mind know that a Te-Angie bull will not add any genetic faults to your herd. As they are 'ready to use bulls', meeting all current sire regulations, making it very successful to register your stud calves with ease.

This year we are offering to the discerning buyer 5 lots of stud heifers and 14 commercial heifers. They are all EU accredited and up to date on their vaccinations; 7 in 1, Pesti, along with vibrio for the bulls. The genetics behind these females aim for the best breed characteristics and overall excellent behaviour for your herd.

2021-2022 New England show circuit saw many successes. Coming back into the show season after COVID-19 we had a strong team consisting of 10-16 cattle depending on the show we attended. Throughout the show circuit we saw our sires' progeny do extremely well, demonstrating the high genetic quality that we are achieving here at Te-Angie. Our cows had consistent results with excellent calves at foot. The heifers were extremely competitive in their classes and consistently placing in the top 4.

We look forward to seeing you on sale day and joining us for lunch afterwards. Please do not hesitate to contact us if you have any questions in how Te-Angie can become part of your breeding programs or would like to inspect the bulls before sale day.

Kind regards,

Richard, Kerry, Michael & Claire

# Buyers Information
