SALE CATALOGUE DISCLAIMER: All reasonable care has been taken by the vendor and designer to ensure that the information provided in this catalogue is correct at the time of publication. However, neither the vendor, selling agents and designer make no other representations about the accuracy, reliability or completeness of any information provided in this catalogue and do not assume any responsibility for the use or interpretation of the information included in the catalogue.

SAFETY DISCLAIMER: The owners, employees and representatives of Woonallee accept no liability for any accidents that may occur at the Tamworth Regional Livestock Exchange Sale Complex. Although such occurrences are rare, any persons attending the Woonallee Sale do so at their own risk.

Welcome

After a successful first sale last year, we look forward to this year's sale and presenting you with a wonderful line up of bulls. We have increased the offering to 65 bulls, and have included a number of Traditional and Red bulls as well as the Blacks and SimAngus. Hopefully everyone's needs can be met!

Once again, these bulls have been selected from large contemporary groups and have been selected specifically for this sale. This year, the bulls have been prepared at Steve Hayward and Kellie Smiths property at Allora, Queensland. Not only will this enable them to acclimatise to Northern conditions, but it will also give our NSW and Qld clients far more opportunity to inspect the bulls prior to the sale.

Each section of the programme is represented with a tremendous group of bulls that exhibit explosive early growth, length of body, capacity, extra muscle, and increased fat cover in a structurally sound package. Our commitment to increase profitability and performance to our clients' herds drives us to focus on the above traits. Each year we scrutinise every one of our 800 plus registered breeders for structure, docility and performance and quite simply if they don't stack up, they don't stay. This selection pressure ensures that our female herd continues to improve each year which in turn passes this quality onto the resulting progeny.

The Black Simmental and SimAngus bulls are made up of 2 groups, firstly the 20-22 month old bulls and then the 14-16 month old bulls. Both groups represent what we have been aiming for in this section of our programme and will impress for their impressive carcass traits, extra fat cover, strong muscling

and sound structure. With many of them suitable for heifers, their versatility allows for so many applications within your programme.

The Traditional and Red bulls are introduced this year to allow those looking for a superior traditional or red option to access some of the best we have. The traditional bulls are a powerful group of bulls and will add huge performance and capacity with softness and style to your programme and are bred from some of the very best genetics available anywhere in the world! The red bulls are much the same and will allow those looking to keep a solid red look to their cattle. Many are imported embryos or by our exclusive red sires we have acquired throughout the world.

Thank you again to everyone who supported our 1st Annual Tamworth sale and we look forward to presenting these outstanding herd improving bulls to you. Every bull comes sire verified, pesti tested, vaccinated for 3 day sickness, 3 germ blooded and semen tested so they are ready to work.

Please feel free to contact us if you require any further information and we look forward to seeing you on the 10th of August!

Tom and Lizzy Baker

FOR A SUCCESSFUL STUD STOCK BUSINESS

Our experienced and professional network, located across Australia, are dedicated to achieving the best results for your stud stock business.

Elders Stud Stock provide superior marketing packages, professional auctioneering services, as well dedicated pre and post-sale customer support. Elders

Sale Information

HEALTH

This draft of Woonallee Bulls have a J-Bas score of 6 and are eligible to all states Australia wide. Bulls have been fully vaccinated with 7 in 1, Pesti guard, 3 day sickness and 3 germ blood. All bulls have been tested negative for Pesti virus. Semen testing has been conducted by Rosewood Vet Services and all bulls offered for sale have passed both semen and morphology testing.

DNA, COLOUR AND POLLED TESTING

All bulls have been tested for colour and polled status with the results indicated in the catalogue. They have also been 100K DNA tested and sire verified. Lots 29, 31 and 32 are unregistered.

DELIVERY

Woonallee and Elders will organise delivery of the bulls at the conclusion of the sale. Please fill in the buyers slip with clear directions and contact phone number. Woonallee will deliver free of charge within NSW and to Roma, QLD.

TRANSFERS

All animals are registered with the Australian Simmental Breeders Association and are eligible for transfer. Please indicate on the buyer's instruction sheet if you would like your purchases to be transferred.

BUYERS REGISTRATION

Buyers are requested to register with the selling agent prior to commencement of the sale and to display their registration number at the fall of the hammer. This sale will also be interfaced with Elite Livestock Auctions and Auctions Plus. Please see information on page 6 of this catalogue to register.

INSPECTION AND SALE TIME

Sale bulls will be yarded and available for inspection from 10am on sale day Wednesday, 10th August. Selling to commence at 1pm sharp. Supplementary sheets will be available on sale day. For pre-sale inspections please contact Tom Wilding-Davies 0429 570 504 or Steve Hayward 0419 642 992. All times quoted are Australian Eastern Standard Time.

GST

All lots are sold exclusive of GST.

PHONE BIDDING

Please contact the selling agent to arrange phone bidding. Lincoln McKinlay 0419 239 963.

REBATES

A rebate of 3% is available to outside agents who attend the sale with or on behalf of their clients.

INSURANCE

Woonallee recommends insuring all purchases at the fall of the hammer. An insurance representative will be available on sale day to help with this.

GUARANTEE

All cattle sold at Woonallee come with a two year structure and fertility guarantee. In the rare case a bull is found to be infertile or incapable of natural service, Woonallee will refund or replace the bull provided the problem is not caused by injury or disease incurred after taking delivery. A veterinary certificate will be required.

HANDLING

Bulls have been handled on foot, with utes, ATVs and dogs. They haven't seen horses, motorbikes or helicopters!

EBV Information

SIMMENTAL GROUP BREEDPLAN

The breedplan values in this catalogue were calculated in the 2020 Simmental Trans Tasman Group Breedplan evaluation. Each reported trait shows an EBV and its accuracy level. The EBV (Estimated Breeding Value) provides the best current estimate of the bull's true genetic merit for that trait, relative to the overall base for the Simmental breed. It indicates how its progeny should perform relative to those of other bulls in the breed. The accuracy indicates how well an EBV predicts the true genetic worth of an animal. The accuracy of an EBV will be higher for traits with a higher heritability and will increase as more performance information on an animal and its relatives become available. The accuracy of an EBV is reported as a percentage. EBV's with higher accuracy will change less than EBV's of low accuracy when more performance records are analysed.

TRANS TASMAN SIMMENTAL GROUP BREEDPLAN EBV PERCENTILE TABLE (ABBREVIATED) – SIMMENTAL ANIMALS BORN IN 2020

PERCENTILE BAND	WEIGHT TRAITS				MILK	CARCASE TRAITS			
	BW	200	400	600	MILK	EMA	RIB	RBY	IMF

AuctionsPlus

How to Register and Bid on AuctionsPlus

- 1 Go to www.auctionsplus.com.au to register at least 48 hours before the sale.
- 2 Select "Sign Up" in the top right hand corner.
- 3 Fill out your name, mobile number, email address and create a password.
- 4 Go to your emails and confirm the account.
- 5 Return to AuctionsPlus and log in.
- 6 Select "Dashboard" and then select "Request Approval to Buy".
- 7 Fill in buyer details and once completed go back to Dashboard.
- 8 Complete buyer induction module (approx. 30 minutes).
- 9 AuctionsPlus will email you to let you know that your account has been approved.
- 10 Log in on sale day and connect to auction.
- 11 Bid using the two-step process – unlock the bid button and bid at that price.
- 12 If you are successful, the selling agent will contact you post sale to organise delivery and payment.

For more information please contact us on:

Phone: (02) 9262 4222
