25 - 2 year old - Crop prepared Bulls

Vale Evelyn Pearl Saal

14th Nov 1929 – 11th Jan 2022

It was with great sadness that Pearl passed away on the 11th of January, 2022, at home.

She leaves behind the love of her life, Trevor – a love affair, of some 76 years, 8 children, 23 grandchildren and 49 great grandchildren.

Pearl was a capable, resilient & proud woman. She always put the utmost effort into whatever she was doing, whether it was cooking, sewing, keeping her 'brood' in order (a task that proved challenging at times), gardening, breeding her talented & beloved Border Collies under the 'Talisman' prefix, or her passion of breeding quality Poll Hereford cattle. Pearl started the **Kalem Poll Hereford Stud** in **1973** & for a time had 180 registered females to manage. With a draft of Bulls for sale annually, Heifer Shows, Agricultural & Royal Show teams to prepare, Pearl was always busy. The Dubbo Poll Hereford Bull Sale was always a highlight for Trevor & Pearl - a time for catching up with friends, admiring what Sire's were on offer & often, partaking in spirited bidding to enable the successful purchase of a new resident Sire, for stud use.

Pearl was recognised for her contribution to agriculture, the beef industry & rural women, in *Cattlemen In Pearls*, a lovely collection of biographies, dedicated to many talented & amazing Australian women, commissioned by Ian & Anne Galloway.

With the winding up of Pearl's estate, the Kalem herd has been transferred to Ivan & Amanda (daughter) Burcher, Binara Poll Herefords, except for the nucleus of mature females. These females, though, now running at "Binara", remain under Trevor's, Kalem Poll Hereford, ownership.

Pearl, is greatly missed & let's hope that we are doing her proud, as we continue on with her legacy. "What you leave behind is not what is engraved in stone monuments, but what is woven into the lives of others"

R.I.P Pearl

Welcome to Binara

Welcome to our 2nd on-line (on-property) bull sale, 49 years of breeding of Poll Herefords for Kalem & 18 years for Binara. Our aim is to breed easy doing, fertile, structurally sound, functional, commercially focused cattle, with added profitability, that will suit a variety of markets and have the ability to perform anywhere.

This draft of bulls has run as one contemporary group since weaning in March 2021, & sale prepared on oats since mid-June. They are all natural calves, born unassisted & reared on their Dam, under the same paddock conditions as our commercial herd.

Inspections are recommended & welcome prior to the on-line auction ... please, just give us a call.

We look forward to speaking with you,

Kind Regards

Ivan & Amanda Burcher
