WELCOME TO THE 34th Annual PIGGOTT BULL SALE
Quiet...Quality...Prepared for a Working Life...

Our aim is to provide quiet, fertile bulls with good carcase quality. At a commercial level we use our own bulls to breed fat stock for the domestic and export markets as well as replacement heifers for our own use and some for sale as PTIC heifers.

Temperament and fertility are of prime importance. We cull for temperament Cows have been pregnancy tested since the 1960's, and empty cows and heifers are always culled.

Since the early 1970's we have purchased bulls from many different studs to ensure our cattle have a wide and strong genetic base.

These bulls were born on forest country grassed with speargrass, bluegrass and lesser forest grasses and weaned onto scrub at BARKALA, Rolleston..

Sale bulls are run in a paddock with self-feeders, and never locked up, so exercise from walking about builds up muscle not fat and keeps their joints and feet in good order. They are handled in mobs and have not had one on one handling in confined spaces.

Herd bulls are from a mob of cows run in an unfenced, mostly unimproved 80,000acre open range paddock in the Carnarvon Ranges. The country is inaccessible with three running creeks and numerous springs so the cattle are run as a multi-sire herd. All herd bull sires are either registered or could be registered. All cows are purebred with many being ex-registered or could be registered, but have been left unregistered for ease of management.

These bulls have been worked with horses, dogs and occasionally a bike.

THANK YOU for your support.

Terry, Catherine & Hayley Piggott

TERMS AND CONDITIONS OF SALE

GST CLAUSE The auction shall be conducted on the basis that the bid price shall be exclusive of Goods and Services Tax (GST). GST shall be added after the fall of the hammer for those sales subject to GST.

All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the Sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the Purchaser provided that the Vendor reserves the right to bid either by himself or through his Agent or Auctioneer and should any dispute arise among the Bidders for any Lot, during or immediately after sale of the Lot, it shall be settled at the Auctioneers absolute discretion who may, should one of the disputants advance, put the Lot or Lots up again. The bidding from time to time shall be regulated by the Auctioneer and no bid shall be retracted.

2. The Sale will be conducted on a "Sale" or "No Sale" basis whereby the Lot for sale shall be knocked down to the highest Bidder, but the Sale will be subject to the acceptance of the highest bid by the Vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the Vendor reject the bid of the highest Bidder such Bidder will have the right of first refusal of the Lot at the Vendor's nominated price for one hour after the Lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they apply.

3. The details of the Purchaser, the purchase price and the Lot sold as recorded by the Sale Clerk for and on behalf of the Auctioneer shall be equally binding on both Purchaser and Vendor.

4. The Auctioneer expressly reserves the right, without giving any reason therefore, to:-
(a) Refuse to acknowledge bid;
(b) Withdraw any Lot or Lots before or during the Sale;
(c) Exclude any person from the Auction venue should it think fit.

5. Each Lot in all cases shall be at the risk and expense of the Purchaser, upon acceptance of his bid by the Vendor or upon acceptance of the highest Bidder's offer by the Vendor whichever shall be earlier.

6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any Lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee, warranty or conditions whatsoever shall be implied from any affirmation made before or at the time of the Sale, or from any circumstances of the Sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the Lot and signed by the Vendor or by the Auctioneer acting as Agent for the Vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee warranty or condition whatsoever was given or implied.

7. In the event of any dispute in respect to the sale of any lot:-
(i) The Purchaser shall nevertheless be obliged to pay to the Auctioneer the full purchase price and any other moneys or interest payable by the Purchaser in accordance with these Terms and Conditions;
(ii) The Vendor and the Purchaser shall resolve the dispute themselves;
(iii) The Auctioneer shall have no liability or responsibility in regard to the dispute; and
(iv) No Lots shall be returned to the Auctioneer and the Purchaser shall indemnify the Auctioneer for all costs, expenses and damages which the Auctioneer is put to or incurs by reason of the Purchaser so doing.

8. The name of the Vendor for whom the Auctioneer acts is acknowledged to have been furnished to Purchasers prior to sale and further particulars will in all cases be furnished to a Purchaser

if required. In the case of any dispute the remedy of the Purchaser shall be against the Vendor only and in no case or under any circumstances against the Auctioneer who is to be regarded for all intents and purposes as Agent for a disclosed principal.

9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the Auctioneer the full purchase price for each Lot shall be due and payable to the Auctioneer in cash upon acceptance of the highest bid or the highest Bidder's offer by the Vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the Purchaser or his Representative prior to the payment of the purchase money in full the property in any Lot which is sold shall not pass to the Purchaser until the full purchase price and all Cheques, Promissory Notes, Bills of Exchange, Acceptance Orders or Drafts given in connection with such payment have been paid and liquidated and until property shall pass, the Purchaser shall hold such Lot as Bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the Sale the Auctioneer reserves the right to:-

- (i) Rescind the Contract on behalf of the Vendor and repossess and resell any Lot;
- (ii) Recover from the Purchaser interest upon the Purchase price at a rate per annum which aggregates the AMBA Bill Rate and two percentum. For the purposes of this condition, the expression "the AMBA Bill Rate" is the rate published by the Australian Merchant Bankers Association in good faith as at the date of the Sale as its Bill Rate for 180 day Bills of Exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the Auctioneer shall determine and advise for the purposes of this condition.

9. The Auctioneer is selling as the del credere Agent of the Vendor and the full purchase price of any Lot sold shall be payable by the Purchaser to the Auctioneer and be fully recoverable by the Auctioneer in its own name.

10. If the Purchaser shall neglect or fail to comply with any of the within conditions, any Lot purchased by him may be immediately resold by Public Auction or Private Contract, with or without notice, at the risk of the former Purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.

11. Any Vendor or Purchaser removing the sale number from any Lot after it has been sold will fully indemnify all affected parties for any loss, costs, or damage should the Lot be wrongly delivered.

12. The Purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.

13. Any person who advances a bid on a Lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the Vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the Vendor or the Auctioneer, provided however, that this Condition shall not in any way negate the Vendor's right to claim against any principal and in such case the Bidder's liability shall be construed to be by way of guarantee.

14. The Auctioneer may, should he think fit, make arrangements on a Purchaser's behalf for the feeding, watering, trucking, shipping of and general attendance to any Lot after sale but no responsibility will be accepted by the Auctioneer and all such service will be at the Purchaser's risk and expense.

15. No Lot will be delivered until the Sales Invoice has been checked and signed by the Purchaser or his duly authorised Representative.

16. (a) Each Lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, and express or implied condition, statement or warranty, statutory of otherwise, is hereby excluded. The Auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the descriptions or pedigrees of any Lot offered for sale and no such error, misdescription or omission shall entitle the Purchaser to annul the sale or reject the Lot or claim any compensation, damage or abatement in price.

16. (b) Each Lot will be sold subject to passing all Veterinary Tests required by the law of the state or country to which the Purchaser intends to transport that particular Lot, such Tests to be undertaken at the Purchaser's expense and concluded immediately following the Sale. In the event of a Lot failing to pass these Tests, the sale shall be null and void, and any purchase moneys paid by the Purchaser shall be refunded and property in the Lot shall revert to or remain with the Vendor.

GUARANTEES OF FERTILITY:-

In the event of the animal being proven fertile within the period, the costs incurred shall be borne by the Purchaser. In the event of the animal not being proven fertile within the period the costs incurred shall be borne by the Vendor.

17. (d) LIABILITY OF A VENDOR. Except for costs defined elsewhere in the Conditions of Sale, the liability of a Vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal/s or provide mutually agreed upon replacement animals.

17. (e) REFUNDS. In the event of a claim being substantiated and the purchase price being refunded, the animal/s shall automatically become the property of the Vendor and be returned to him or disposed of according to his instructions at his expense.

In the event that a Lot is alleged or proved not to be a Breeder, the Purchaser shall nevertheless be obliged to pay the Auctioneer the full price and any other moneys or interest payable by the Purchaser in accordance with these Terms and Conditions.

18. 18. (b) If any Vendor brings to the Sale premises any Lot which is dangerous, or infected with any disease, that Vendor shall be liable for all injury, damages, costs, losses or expenses which the Auctioneer may sustain, incur or be put to either directly or indirectly as a result of the Vendor so doing. The Auctioneer reserves the right, at its absolute discretion, to exclude from the Sale, or put out of the Sale venue or dispose of, any Lot which in its opinion shows sign of any disease, whether infectious, contagious or not or of any serious fault or of being dangerous.

19. DELIVERY. Except at the discretion of the Auctioneer no Lot shall be delivered to the Purchaser unless payment of the purchase money together with any additional charges incurred including those hereof, is first made by the Purchaser to the Auctioneer. Release of Lots may be withheld by the Auctioneer until personal Cheques are cleared.
