WARRINGA HEREFORDS
WILLACK POLL HEREFORDS

GIPPSLAND PERFORMANCE HEREFORDS 2ND ANNUAL ONLINE BULL SALE

7 SEPTEMBER 2022 - 11AM

ONLINE SALE ONLY

24 Young Hereford Bulls for sale

- All Herdbook Registered, Sire Verified, Poll Status, DNA tested free of all known adverse genetic condition and Pestivirus
- All have full Hereford BREEDPLAN EBV's and Market Selection Index Values
- All have satisfied the strict performance driven Selection Criteria
- 16 are Homozygous Polled
- All have passed an independent structural assessment and fertility/semen test conducted by Qualified Assessor, Ian Moreland of Studcare Genetics. Assessments are available upon request to the Vendor

Many of the Sale Bulls have low birthweight, high calving ease and short gestation length genetics and EBV's.

Photos and videos will be available for each lot in early August on AuctionsPlus and our website.

A rebate of 2% will be paid to outside Agents introducing buyers to the sale in writing, NO later than 24 hours prior, by email to rhonda.bishop@elders.com.au

The Vendors offer Free Delivery of all Bulls between the Vendors property and Hamilton, Wodonga and Cooma or en route.

VENDORS:

Vision

'To sell young Hereford bulls with structural soundness and above average genetic merit.'

The concept for a Performance Based Bull Sale was the brainchild of five like minded Gippsland Hereford Breeders, all long time supporters of BREEDPLAN and adopters of the various technologies and science, as it has become available to the stud cattle industry, to support them in their breeding and management decisions and pursuing their breeding objectives.

They believed it was important to have a point of difference. They agreed on the concept of having a Performance Based Online Bull Sale selling young bulls who met strict selection criteria including being Herdbook Registered, structurally sound, fertile, DNA tested free of all know adverse genetic conditions and Pestivirus, sire verified and above average for various BREEDPLAN EBV's, Indexes and Traits which they consider are the profit drivers for the beef industry.

Mission

GIPPSLAND PERFORMANCE HEREFORDS was formed and sought advice from experts in the beef industry about their concept to sell young structurally sound performance based cattle. The concept was widely embraced by the experts who recommended they proceed with an Online Sale in Spring and ensure the entries were young bulls that met all of the strict selection criteria.

Selection Criteria

- Herdbook registered and BREEDPLAN recorded
- At least 9 months old and not over 24months old on date of sale
- Age appropriate measurements submitted to BREEDPLAN for all entries
- DNA tested, Sire verified, Poll Status, free of all known genetic conditions and Pestivirus
- Independent structural assessment and fertility/semen test conducted by an independent qualified assessor
- Each entry must have EITHER:
 1. BREEDPLAN EBV's which are Breed average or above for all \$ Market Selection Indexes and IMF, and at least 5 of the following 7 BREEDPLAN EBV's – Calving Ease Direct, Gestation Length, Birth Weight, 200 Day Weight, Milk, Scrotal Size and Eye Muscle Area (EMA); OR
 2. Be in the top 30% of the Hereford Breed for the Southern Self Replacing (SSR) Index.
- Each entry shall have a picture and video which will be placed online when available
- Each entry shall be guaranteed by the Vendor in the same terms and conditions as the current Herefords Australia Wodonga National Show and Sale Guarantee.
