Welcome to our 2022 on-property ram sale! This year's line up of rams are we believe, the best we have put forward at auction and show a depth of wool quality throughout. Our on-property sale will be settled by Nutrien Finley and interfaced with Auctions Plus. If you have any queries regarding the rams, please feel free to catch up with Alistair on sale day or give him a call on 0428 867117. Lunch and morning tea is provided.

One Oak Poll

2022 Ram Sale Catalogue - Breeding Program

One Oak Poll is divided into 3 types:

Fine types: (600 stud ewes) white tags

Medium Wool: (1300 stud ewes) blue and purple tags

Stronger wool types (250 stud ewes) red tags

White (W) Tags: finer wool types (F Syn), 18-20 micron, with a One Oak No.2 infusion. They are a fine medium, dual purpose type that are bred to handle higher rainfall environments. We have joined these white tag ewes to rams with a One Oak No.2 background.

Blue Tags (B): medium wool type, 19-21 micron is the bulk of our stud, bred to go into heep/wheat farming areas

Purple Tags (P): rounder, heavier nourished medium wool type ewes, 19-21 micron, joined to the biggest frame, medium wool stud sires.

Red Tag (R): Largest framed, stronger woolled ewes (20-22.5 mic) have been joined to largest framed stud sires.
