## GENETIC TYPE SUMMARY (GTS)

All Stoney Point bulls have been assessed on the GTS Type/Structure system. All the bulls are considered acceptable for soundness and muscling. The GTS system has been broken up into two distinctive trait groups, descriptive traits and structural soundness traits, animals scoring outside these scores should be considered culls and not catalogued for sale.

Structure scoring is only given to give potential purchasers a guide, it is not a guarantee of the lifetime structure soundness of an animal. Where possible the Beefclass equivalent has been put alongside the GTS score for comparison.

### Descriptive Traits

Stature	Evaluation for Frame Size. A maturity pattern 25 is average frame. This may be influenced by age of dam, particularly 1st calf heifers										
GTS Score	10	15	20	22	23	25	28	29	30	35	40
Frame Score		3	4			5			6	7	8
	Less than Average Frame				Average Frame			Greater than Average Frame			
Capacity	An animals evaluation combining depth of fore rib along with spring of rib and width of chest floor, as well as depth of flank. Scores greater than 25 indicate larger capacity.										
GTS Score	10	15	20	22	23	25	28	29	30	35	40
Beefclass		1	2			3			4	5	
	Less Than Average Capacity				Average Capacity			Grater Than Average Capacity			
Body Length	Evaluation of body length from withers to pins. Scores greater than 25 indicate longer body length.										
GTS Score	10	15	20	22	23	25	28	29	30	35	40
	Shorter Body Length				Average Body Length			Longer Body Length

### Structural Soundness Traits

Front Feet	Feet are a crucial structural component of a sound animal. Although impossible to get perfect the closer to a score 25 the better										
GTS Score	10	15	20	22	23	25	28	29	30	35	40
Beefclass	9	8	7	6		5		4	3	2	1
	Tending Scissor Claw				Ideal			Tending Open Claw

Beefclass	9	8	7	6		5		4	3	2	1
	Tending Scissor Claw				Ideal			Tending Open Claw			
Leg Angle	Leg angle relates to the longevity of an animal. Too straight and a bull can't serve successfully leading to breakdown or arthritis. Sickel hocked and walking is difficult leading to breakdown.										
GTS Score	10	15	20	22	23	25	28	29	30	35	40
Beefclass	1	2	3	4		5		6	7	8	9
