

22nd September 2022

TO WHOM IT MAY CONCERN

This is to certify that on the 06/09/2022 at the request of Mr. C. Lewis, Twynam Investments, Marulan, NSW, I pregnancy tested and determined estimated calving dates (aided by ultrasound technology) the cattle identified below and confirmed them to be pregnant.

IDENTIFICATION:

21 x Angus and Angus composite females.

STAGE OF PREGNANCY:

These 21 females were confirmed to be approximately 40-84 days pregnant at the time of pregnancy diagnosis on 06/09/2022. Their individual joining and estimated calving date information is as per the Twynam sale catalogue and summarized in the table below.

TAG	BREED	PREGNANT TO	JOIN SIRE	ESTIMATED CALVING DATE FROM
S004	Angus	AI	Sterling Confidence	24/03/2023
