## Welcome to our 2022 Ram Selling Season

We invite you to inspect the Feature Rams at our  
25th Annual On Property Sale – Friday 30th September -1pm.

We are extremely pleased with the depth and quality of this year's Feature Rams. Included in the feature rams are the Hillcroft Farms 1082-7 AI sired rams. He is a low birth weight ram, is top 5% for EMD (3.7) and a Poll Dorset trait leader for Shear Force (1.2) and IMF (0.04).

All Sale Rams are paddock raised with NO grain supplementation.

Ulandi Park continues to focus on producing high yielding rams, together with structural correctness, length and muscle with exceptionally clean, open faces and early maturity.

We are Interfacing our entire sale with AuctionsPlus. Photo and video footage of the feature rams is available on AuctionsPlus and our website.

We encourage your interest and inspection at any time prior to the sale. You will not be disappointed if you take the time to attend. We are offering a 3% rebate to outside agents in attendance.
