

# HARTLEY GRAZING COMPANY

## MENDOORAN NSW

**HERD  
DISPERSAL**

**1,000  
COWS &  
CALVES**

**AUCTIONS PLUS SALE 408 ~ FRIDAY 27<sup>TH</sup> NOVEMBER 2015**

The Hartley Grazing herd based at "Glencoe" Mendooran NSW, is one of the renowned commercial breeding operations in eastern Australia. Comprising some 2,800 breeders with a mix of Angus and Euro 'X' cows, the females are joined exclusively to Limousin bulls. The herd has earned a magnificent reputation for consistently producing top quality vealers, weaners and feeder cattle. Consequently the cattle attract solid repeat buyers including feedlots, restockers and Auctions Plus alike, year in year out.

This offering of the remaining 1,000 Hartley Grazing cows represents a wonderful opportunity for purchasers to take advantage of strong beef markets and to acquire proven breeding females which are central to this successful beef operation.

Below descriptions are approximate, assessments available [www.auctionsplus.com.au](http://www.auctionsplus.com.au) along with photo/video - Monday 16th November. PRE SALE INSPECTION OF STOCK AVAILABLE.
