## SELF REPLACING MATERNAL EWE SALE 5500 EWES

**auctionsplus**  
agicultural auctions of a class.

### Auctions Plus Thursday 3<sup>rd</sup> December 12 Noon

Australia's leading Maternal Composite flock and long term clients are pleased to offer our annual surplus females.

Sired by top 10% performance recorded rams for high growth and outstanding fertility these sound, moderate framed ewes offer great opportunity for establishing new flocks or use as prime lamb dams. The flexibility of self replacing lamb systems is becoming increasingly important in the variable climate conditions we now seem to face.
