FOR INCREASED FERTILITY, CONCEPTION & PRODUCTIVITY

Joining is a high demand period for ewes. Australian research¹ has found that ewes treated with Multimin around a month before joining showed improved conception rates compared to untreated animals.

- 3 in 1 trace mineral injection
- Rapid absorption and accurate dosing
- For strategic trace mineral top up
- World class scientific research

Treatment	Feetuses per 100 ewes
Multimin	~128
No Multimin	~118

Multimin provided ewes with a significant improvement in fertility¹

Alfoxtan Dohne Stud

Flock 510108

A warm welcome is extended to all clients and visitors to our 21st annual on-property ram sale. We are very pleased to see that our Dohne wool has been able to withstand the deluge and remain bright with good character. Our stud objectives of having white, long stapled, well defined wool has proved pivotal in these wet years. Our commercial Dohne ewe line tested 18.4 micron, 73mm length and sold for 1577c/kg. The adult fleece wool averaged \$2,670 per bale. In 2022 we sold 350 lambs for an average of \$196.60. When we combine this income with the wool proceeds, it is easy to see how a Dohne flock is highly profitable.

Our 20th annual sale was a great success, 73 rams sold to a top price of \$4,500 and averaged \$2250. Top price Lot 29, a 95kg son of Alf18-0044 was purchased by Milgalar Pastoral Co.

The 2021 drop rams were shorn 23/9/22 with six months wool growth with mid side fleece samples taken. The drop averaged 17.0 micron & yielded 73.4 with a terrific CF of 99.8.

This year we offer the first sons of Gullendah 19-7721, he has 38 sons in the sale.

Free delivery is offered on all rams purchased. We also offer a classing service and advice on marketing your Dohne progeny.

Sire Reference:

Alf18-044: Son of RP14-0055 the stud sire purchased in syndicate at the National sale in 2016 for \$20,000

C17-4243- Calga Big carcass sire, Yemd in the top 10%, with white crimped wool

C18-1491 - Calga This ram has exceptional figures, Pwt 8.7, emd +1.0, Ycfw +18.0 and Dohne Plus index 201.5, his number of lambs weaned percentage of 21 is a benchmark for the breed.

G19-7721-Gullendah Ram purchased 2020, white stylish wool with excellent structure and carcass Yemd in top 5%. He has 38 sons in the sale.
