# 2023 PRODUCTION SALE TEAM

120 DORPER RAMS   50 WHITE DORPER RAMS   52 STUD EWES

Robust, hardy rams, bred under commercial conditions and raised on perennial pastures for growth, moderate adult weight and good conformation....

Our focus is on commercial relevance with emphasis on the profit driving production traits of fertility, quick growth and early maturity, plus an outstanding carcass.

## WELCOME TO AMARULA DORPERS

Amarula Dorper and White Dorper Studs are located in Northern NSW, on 2200 acres, 50km East of Moree. We are a family run operation with Justin and Lorroi at the helm and our sons Sam, Flynn and Jock helping at holiday time. The Studs comprise of 1000 Dorper Stud Ewes and 500 White Dorper Stud Ewes. Expansion is one of our business goals, to cater for the rapidly escalating popularity of Amarula Dorper and White Dorper Rams, into a fast-growing shedding meat sheep industry.

In 2000, we invested in Dorpers, as they possess adaptations that make them a robust sheep breed, that copes well with variations in food availability and quality. In the face of increasing climate variability, it is essential to have sheep which can both capitalise on good seasonal conditions but still perform under challenging ones.

We are passionate about breeding extremely productive Dorpers, that are high yielding with great eating quality traits, moderate frame and fertile. We believe the hardiness and adaptability, combined with high survivability and low maintenance, makes them the most viable self-replacing, shedding meat sheep breed in the world.

In the past, we have drawn on the wealth of knowledge, of the South African Dorper breeders. Now we are Certified Judges and Inspectors of the Dorper breed, with 23 years of experience and have the privilege to assist the Dorper industry, by providing an Australian source of knowledge, for Stud and Commercial Breeders, for Australian conditions.

## Classing of the 2023 Sale Team with Christo Harmse

I would like to thank Justin and Lorroi from Amarula Dorpers and White Dorpers for the opportunity to type their sheep once again, for their upcoming 20<sup>th</sup> on property sale on the 3<sup>rd</sup> February 2023. Congratulations on presenting an outstanding line of rams and ewes for your sale. I don't have to wish you luck, your hard work and dedication to the Dorper and White Dorper breed over many years has paid off and I am confident that you will have an successful sale.

To you the Buyers, this is a sale that you can buy from with confidence being present at the sale or from home. These rams are not pampered or manicured and you have not one or two but three assessment tools to help you to select the perfect ram for you. If you are looking for an Elite Stud Ram there are plenty to choose from or if you are just looking for a good sound stud or commercial ram you will find them there too.

Regards.

Christo Harmse
