40	43	41	>80	high	PASS
41	45	36	>60	medium	PASS
42	46	37.5	>90	high	PASS

I semen tested the above bulls on 3 and 10 February, 2023 and in my opinion the semen was above industry standards for motility. Motility percentages were observed using Microscope and iSperm software.

Yours sincerely,

A handwritten signature in black ink that reads "G. R. Bush". The signature is written in a cursive style with a large initial "G" and "B".
