## **About the Vendors**

'Harel and Lisa Hollingsworth purchased Keilah along with its Australian White Stud in 2021. The Stud was first started in 2016 by Murry and Helen Schroder. Since they have taken over their goal is to produce good quality strong flock rams, ready for the paddock with the ability to cope with hot and dry conditions. Buyers should be confident that rams purchased from Keilah can be turned straight out to paddock without hinderance.'

- All rams are vet checked and Brucellosis accredited, up to date with vaccinations and Drenched with Zolvix Plus on 26th January 2023
- Lunch and refreshments will be available during the day.
- Live bidding will be available online through Auctions Plus [www.auctionsplus.com.au](http://www.auctionsplus.com.au)
- All rams purchased on the day are to be picked up from the St George Showgrounds before 10am Friday the 17th of February or have other arrangements made with the vendor prior to this time.
