BARISTA MADE COFFEE, BREAKFAST & LUNCH PROVIDED  
FIELD DAY 7TH OF FEBRUARY AT 8 AM - 4PM

FIND US ON  FACEBOOK

**ANNUAL SALE**

## STRUCTURAL INTEGRITY-PHENOTYPE-TEMPERAMENT-FERTILITY

are key selection criteria that have seen us rapidly and consistently produce cattle that have longevity, give you more calves in a lifetime and are a pleasure to handle. Raised on grass only, our bulls are ready to work whilst promoting longer term structural integrity.

If you are looking to improve your herd in these areas, we welcome you to attend our Field Day and Sale.
