All Does are registered with the KGAA.

Bucks can be registered with KGAA on request.

Website: <https://kalaharigoatsaustralia.com/>

Email: kgaainc@gmail.com

Goat Registrations

Tier One (100% Kalahari):

Pure Full Blood 100% Kalahari goat with parentage proven 100% on both sides.

To maintain genetic purity this cannot be an upgrade.

Tier Two (Min 50% Kalahari):

Full blood/Pure Full blood Kalahari X with another registered goat.

Must both be registered. Every Kid from these become 50% Kalahari and 50% other breed. Then if you breed from this kid the following applies:

KALAHARI PURITY Min %	OTHER BREED
F1- 50%	50%
F2- 75%	25%
F3- 87.5%	12.5%
F4- 93.5%	6.25%
F5- 96.1%	3.12%

F5 FULL BLOOD STATUS F5 onwards can be called a full blood Kalahari as long as it meets the breeding standards for Kalahari, **but cannot become a**

Pure Full Blood Kalahari

Tier Three

Full blood 100% Kalahari X any other unregistered goat F1 F2 F3

Then the progeny that would have been F4 becomes a Tier 2 F1 for registration purposes

Any progeny resulting from crosses of the grade animals (F1-F4) can only be registered in the grade of the lowest parent and can never grade up. For example, if an F2 animal was bred to an F4 animal the progeny would be registered as F2.
