THE RISE OF PLATINUM

THE WORLD RECORD AUSTRALIAN WHITE RAM AT \$240,000

The worlds most expensive Australian White Ram 'Tattykeel Platinum' is now owned by Sans-Souci Australian Whites, in a syndicate with three other Australian White Studs. Platinum displays industry leading growth for age, outstanding carcass attributes, with first class shedding and hair patterns. Platinum will be used extensively within embryo transfer & artificial insemination programs at Sans-Souci, with the first release of his sons expected in the 2024 Sans-Souci Summer Production Sale.
