WELCOME

Welcome to Barana's Shorthorn Female Dispersal Sale.

Stud principal, Peter Cook, established Barana Shorthorns in 2002 from Spry's bloodlines. Over the years females were introduced from Moombi, Yamburgan & Futurity studs & stud sires purchased from Yamburgan, Futurity, Marellan & Tarraganda. Barana's Shorthorn numbers have bred up over the years but circumstances, including the increasing workload of running three stud cattle operations, have led to the decision to disperse the Shorthorns. With strict culling the stud Shorthorn herd has been reduced to the 35 registered lots presented for sale in our dispersal.

In the past, Barana has sold bulls to \$10,000 at the Dubbo National & also sold bulls at the Spring Fling at Tamworth, at our annual on-farm bull sales & privately.

At Barana, the imperative is breeding for ease of calving, milk production & fertility and females must be able to produce & rear a calf under natural conditions. We place strict emphasis on our females being structurally correct with sound feet & walking ability, good udder attachment & plenty of milk. Barana aims to breed medium framed animals with a fine hair type.

Futurity Performance Plus is breeding very well at Barana as you will see by his progeny presented in the sale.

Barana's Shorthorn Female Dispersal Sale will be conducted on farm and livestreamed via AuctionsPlus with Elders as the selling agents. We aim to offer **35 Registered Shorthorn Females, 9 Purebred Shorthorn Commercial Females & 1 Shorthorn Stud Sire Futurity Performance Plus P308**. All females will be pregnancy tested prior to the sale & a supplementary sheet provided.

Barana maintains a Level 7 J-BAS [Johnes Beef Assurance Score] status.

The catalogue will be available for preview on our website www.baranasimmentals.com. You can also follow us on Facebook, Twitter & Instagram.

We look forward to seeing you on sale day or to arrange inspection prior to the sale please contact Peter Cook or the selling agents.

Comment Purchased for \$22000 at the Futurity 2020 sale. The first of his male progeny will sell at the 2023 Dubbo Shorthorn National Sale. This bull consistently throws performance & quality with structurally sound, moderately framed, soft easy-doing cattle. There are some outstanding Performance Plus calves on their dams in our sale.
