# Foreword

Welcome to our 31<sup>st</sup> Annual Sale.

Seasonally, it has been very good in most parts, whether cropping or running livestock. Our thoughts are with those still suffering from drought and now, in the Kimberley, unprecedented floods. Fortunately we've experienced one of the better years seen around Karridale, and a repeat of the year would be welcomed locally.

Regardless of the season, our breeding philosophy holds fast – that is, we strive to produce animals that are born without fuss, robust and fast growing, easy doing with ideal muscle development, calm temperament and structural integrity. We aim to produce animals that can ride the seasons and still make it to market with options. Versatility beats single trait cattle any day.

By breeding for type and not a fancy number set we have found it to our advantage to deal in actuals not estimates. Actuals are real – we get paid for weight and quality – that is, actual weight and quality, not estimates. Our cattle are bred to be industry relevant so that they fit as many different market options as possible and if a door closes, we can find others that are open.

We are extremely proud of the depth and quality of this year's sale team. The bulls represent 40 years of selection concentrating on 400 day actual weight and actual eye muscle as well as fat cover/IMF. They are the heaviest and carry the best carcass scans we've had in over 25yrs of scanning.

New Angus sires that have sons that are sure to impress are Banquet Noonan N033 (his sons are next level), Banquet Notter N297 (used in the Banquet herd as well), Banquet Pomeroy P430 (used exclusively over heifers with terrific results), Prime Beast Mode Q13 (born small and really grow, with more body mass) and Prime Katapault Q92 (explosive growth and loads of style).

New Murray Grey sires include Ayr Park Legend L31 (light BW, excellent growth, positive fat and high IMF), Monterey Phoenix P6 (heavily fleshed with softness and style), Monterey Ned Kelly N218 (used successfully over heifers, outstanding growth and structure), Monterey Quaver Q150 (sold but wish we'd kept him) and Cadfor Falcon (Black Murray Grey producing outstanding calves).

Congratulations to all our clients who have topped sales or achieved personal bests this year. Many have, and a worthy mention is the Reid family at Nillup, selling their Angus calves direct off Mum to Woolworths and averaging a staggering 276kg dressed – more than their Charolais counterparts.

As always, the bulls have undergone a rigorous programme of vaccination, semen evaluation and physical assessment. We offer free deliver to regional centres from Geraldton to Esperance and between.

We look forward to your company on sale day and if we can be of assistance before, or on sale day, just ask.

Best wishes for the coming year.

*Gary and Julie*

# General Information

## PRE-SALE INSPECTIONS:

The sale cattle will be available for public inspection at the Monterey, 34 Capewell Rd, Karridale the day before the sale, and from 10.00am on sale day, or at an earlier date on property at Monterey. Enquiries and inspections welcomed.

## BULLS: PHYSICAL EXAMINATION: SCROTAL CIRCUMFERENCE: SEMEN TESTING

All MONTEREY sale bulls have been thoroughly examined for breeding and structural soundness and have had their testicles measured and details are listed in the catalogue. Please note, bulls 18 months or older should have a scrotal circumference of no less than 32cm, however bulls in this sale average 40+cm. **All bulls have undergone a semen evaluation. Tests conducted by FarmWest.**

## HEALTH TESTS:

**MONTEREY HAS A HERD HEALTH SCORE OF JBAS 8, WITH CATTLE ELIGIBLE TO GO TO ANY HERD IN ANY STATE.** All stud cattle offered for sale are guaranteed free of brucellosis, TB, mannosidosis and Johnes disease. Sales to interstate buyers are conditional on the cattle passing the necessary health tests for entry into the purchaser's state.

**As added protection for clients all Monterey bulls are vaccinated according to the Zoetis STAR programme.**

## SELLING AGENTS:

The sale will be conducted by Elders and Nutrien as agents in conjunction. A rebate of 3% will be paid to any outside agents introducing buyers **in writing 24 hours prior to the sale** and settling within 7 days. The rebate will apply on all stud lots, both male and female.

## VENDOR WARRANTY:

**Pro-rata ie ... carry a 2 year pro-rata warranty.**

All the cattle being offered have been produced and reared under entirely natural conditions. They have not been given any growth promotants nor have they been artificially reared. All bulls and females are guaranteed fertile. To this end, all bulls have been semen tested very recently. **Monterey Murray Grey and Angus bulls carry a 2year warranty for structural or genetic problems.** Where disease or injury causes infertility or inability to serve, **or in multiple mating situations**, this guarantee does not apply. Any claims to be accompanied by a veterinary certificate. **This warranty is not an insurance policy**, and we strongly recommend you insure your purchases.

## HEALTH AND SAFETY OF VISITORS

**Please observe COVID protocols on the day of sale.**

**Under normal circumstances, our bulls are quiet to handle, however even the quietest bull is in fact an unpredictable animal, so be alert.**

**Do not crowd the bulls or loiter inside the pens unnecessarily.**

**Please call an escort through the bulls if required.**

**VISITORS ENTER THE CATTLE PENS AT THEIR OWN RISK  
NO CHILDREN ALLOWED IN PENS**

## DISCLAIMER:

The information contained in this catalogue is believed to be correct. All care has been taken in its preparation. However no responsibility is taken for any inadvertent errors or omissions.

**Notes:** Originally sold through our Summer sale and re-purchased for use in our herd. One of the best decisions we've made. Terrific individual who is really stamping his progeny with his outstanding attributes. Has so much power, shape, structural correctness and softness for such a big bull, yet his calves are born at a very modest birthweight. Was admired by many at the Gingin 100yr Angus event. 7 sons sold to \$16,000 twice and ave \$11,600 at our 2022 sale. Has another very good draft of 5 bulls catalogued.

**Notes:** Lot 1 at the 2019 Banquet sale where he sold for \$22,000 with Banquet retaining a semen share. Comments from the Banquet catalogue, "Considered by some astute judges to be the best bull we have presented for sale." A very long, thick, deep sided bull typical of the Banquet type. His calves have been particularly small and light for such a growthy bull, but their weight for age has been astounding. Their overall volume, softness, muscling and structure is next level. **Notes:** What a ripper bull to start the sale! Built like a tank-enormous volume and born at just 26kg. For Breedplan fanciers, that's +1.1 for BWt and he makes the scales creak at 876kg. Has huge weight for age and soft, deep fleshing on a moderate frame. By Banquet Noonan N033, he has serious shape and weight yet with his light birthweight he could be used across the herd. Very quiet and easy to handle.

**Notes:** Wonderful young bull to start the sale. He has brilliant weight for age - 884kg at 20 mths grassfed, with ideal fat cover. A very good son of Marvellous from a top performing female. Excellent actuals on his weight, scans and fats. We find the actual performance of an animal to be far more accurate and profitable than estimates. That said, he is top 5-10% for 200, 400 and 600 day weights, top 1% Scrotal, top 1% Cwt and top 5% RBY.
