MARTINDALE MASTERCLASS S8PV

2023 ANNUAL AUTUMN BULL SALE

Tasmanian Bred Bulls
for Australian Conditions.

Using only the finest Angus
genetics in the pursuit of perfection.

5 EXCITING
& UNIQUE
17 MONTH
BULLS

TUESDAY 21 MARCH

- 4PM AEDT

Powranna TLX, Tasmania
& AuctionsPlus

Martindale Angus is located near
Lilydale in the Tamar Valley.

Private inspections welcome

Troy Martin - 0419 016 892
troy@martindaleangus.com.au

Warren Johnston - Nutrien - 0419 326 348

SALE PLATFORM - AUCTIONSPLUS

The auction is fully interfaced live with AuctionsPlus for those interested buyers who can't make the sale. Please register your interest early to avoid disappointment.

PRE-SALE INSPECTION

All Bulls offered for sale are available for pre-sale inspection prior to sale day) by private appointment (NB: pre-sale inspections available after 4:00 pm weekdays) and from 10:00 am at the Powranna TLX Complex on sale day.

ANIMAL HEALTH

All Bulls offered for sale have undergone a physical examination by an accredited Veterinarian and deemed satisfactory. All Bulls offered for sale have received Ultravac 7 in 1 vaccination, Eprinex Pour-On, Pestigard, Vibrovax and in line with the Animal Health Record.

SEMEN TESTING

All bulls offered for sale have passed a crush side semen test by accredited Veterinarian and deemed satisfactory, and have also been laboratory morphology tested.

PARENT VERIFICATION & GENETIC CONDITIONS

All bulls offered for sale are Parent Verified (PV) and the genetic status is recorded for each lot.

REGISTRATIONS & TRANSFER OF BULLS

All bulls offered for sale are HBR registered. All animals are eligible for transfer with their respective registration status.

GST

All Bulls offered for sale will be sold GST exclusive.

REBATES

2% rebate paid to outside agents, introducing buyers in writing 24 hours prior to sale.

GUARANTEE

All bulls have passed a thorough fertility and structural soundness examination conducted by an accredited veterinarian. It is important to understand that normal care and good husbandry practices must be observed as replacement or a credit is not available if a bull is simply injured or dies for any other reason. Martindale Angus guarantees breeding bulls from the date of purchase against loss of fertility due to structural failure of the bull for a period of 12 months. Example corkscrew penis or bad feet. This guarantee does not however cover broken penises, prolapsed prepuce, and broken legs etc. In the unlikely event of a less than acceptable mating outcome, the bull will be assessed by a veterinarian chosen by Martindale Angus and if the bull is found to be the cause of the infertility, then compensation will be offered in the form of:

- Replacement with an equivalent bull to the mutual agreement of both the vendor and purchaser, or if replacement is not possible;
- The purchaser price will receive a credit for future purchases, equal to the original purchase price less the salvage value of the bull. The original purchaser of the bull is the only eligible party to claim a credit.

INSURANCE

There is no Vendor Insurance on Sale Bulls. It will be the responsibility of the purchasers to insure their bulls.

TRANSPORTATION

Martindale Angus will arrange delivery of your purchase free up charge within a 100 km radius from the sale location. Beyond this will be the purchaser's responsibility. A \$250 rebate applicable to Mainland, King Island & Flinders Island purchasers.

SALES CATALOGUE DISCLAIMER

Martindale Angus has taken great care in ensuring the information provided in this catalogue is accurate however the accuracy and/or interpretation of the information in this sale catalogue.

WELCOME

WELCOME to our Annual Autumn Bull Sale.

We are delighted to offer a unique and exceptional line up of 17-month-old bulls for the annual sale.

The sale team features the sons of highly proven and notable sires GB Fireball 672, Clunes Crossing Dusty M13 and Bubs Southern Charm AA31.

GB Fireball 672 is Americas' number 1. He continues to exceed all expectations for both performance and phenotypic quality in the United States and is the first and only high accuracy sire to exceed the +400 \$Combination barrier. He ranks #1 for Marbling, \$Grid, \$Beef, \$Combined, and is much more than a carcass sire, he is a proven multi-trait leader that also excels for calving ease, performance, and feed efficiency. Progenies continue to be among the most consistent and well received sire groups across America.

Clunes Crossing Dusty M13 introduces calving ease, exceptional growth, docility, feet structure and desirable carcass traits for an all-round package.

Bubs Southern Charm AA31 was a powerful and easy-fleshing sire with a phenomenal fertility level, a flawless phenotype and his progeny are proven to be extremely efficient cattle. Bubs Southern Charm AA31 is now-deceased, access to these superior genetics is all but exhausted in Australia.

The bulls on offer are unique, powerfully designed, deep-bodied and incredibly fertile. They exhibit impeccable phenotypic traits, have incredible docile temperaments and all are ready to work.

It has been an exciting 2022 calving season with future bull sales seeing progeny from Australian sire Millah Murrah Paratrooper P15, and US sires Sterling Pacific 904 and Myers Fair-n-Square M39. Calves on the ground in 2023 will see progeny from Sitz Resilient 10208, Millah Murrah Paratrooper P15, Landfall New Ground N90, Texas Iceman R725 and our own exceptional sire Martindale Megastar S3 who features for sale in the 2023 Annual Sale.

Our breeding programs are disciplined, committed to the use of elite genetics and the continuous development of phenotypic attributes and maternal excellence of Angus cattle.

Martindale Angus has an incredible support network of family, friends, and livestock professionals and experts. I would like to sincerely thank everyone for their continued support.

I would also like to take an opportunity to personally thank Noel Kennedy from A.B. Services for his stellar work in the AI and ET programs, David Morris B.A.Sc., Bass Valley Embryo Services for his unquestionable professionalism and excellence in all matters relating to cattle reproduction, embryo collection and transfer, Warren Johnston, Senior Livestock/Auctioneer, Nutrien Ag Solutions for his continued guidance and expertise in all matters of managing and selling livestock and Janine Elen, Outriders Media for her unwavering expertise in all matters relating to communications, media and marketing, with a passion for all things agriculture.

We are interfacing the sale with AuctionPlus on the 21 March 2023 at 4:00pm. Inspection period starting at 11:00am on day of sale will allow bulls to be viewed prior to the auction. All bulls may be inspected in the lead up to the sale by prior arrangement.

Thank you for your interest and support in Martindale Angus and we are confident that the bulls purchased will perform extraordinarily and are Tasmanian Bred Bulls for Australian conditions!

Kindest regards,

Troy Martin

and on behalf of the Martindale Family
