Notes: Sired by the Supreme Exhibit Royal Melbourne Show 2017, Bobo has been shown successfully as a heifer. She displays excellent growth rates and volume and is now rearing her 3rd calf in 2 years having calved twins in her first year. She returned to oestrous quickly and calved almost 12 months to the day. 'Timeless' is shaping up to be a handy little bull calf, born unassisted (41kg) sired by top priced bull from the Premier Sale Ganado R2-D2, and is offered as calf at foot. He will be 6 months by sale day (pictured at 4 months of age). Both fully 7 in 1 vaccinated, All Trace Rumen Mineral Bolus applied, drenched & pesti tested negative. Bobo has been depastured with Maefair Rupert from 27/11/2022 - 13/01/2023, is PTIC due to calve September/October 2023. A great 3 in 1 unit. Grass fed only. Notes: Wow, this heifer is an absolute beauty. She is a twin to another heifer, they are like peas in a pod, so we are keeping S23 and offering S22. What an opportunity. She is sired by Elbern Prophet P29 and out of a tremendous Robern Taurus daughter. Wallflower S22 displays all the attributes we look for, and with her depth of breeding we are absolutely 100% confident in her ability to grow on and become an outstanding breeder. She was depastured with Ganado Riley R10 (MVA R10) from 21/12/22 until 12/3/23. Will be preg tested prior to the sale. 2 x 7 in I injections.

Notes: An opportunity for YOU with a chance to secure quite possibly one of our favourite heifers from the 2021 drop. A jeopardy granddaughter by Tintara Quilpie who sold for 10k at the TOTR out of Woodbourn Miss Agnes J56. Tintara Miss Agnes S12 pedigree is backed by the some of the top Murray Grey genetics, plus accompanied by an impressive set of EBV's with positive fats! This heifer is bred to perform and we believe that she'll make an impact on the industry. A heifer with balance, correctness, femininity, length and presence. AI'd to Kelso Cracker (21/11/22) and backed up by Tintara Simba. PTIC prior to sale. Pesti Negative, fully 7 in 1 vaccinated, grass fed only. Ema: 72 IMF: 7.4 Rib: 11 P8: 13 Taken on the 15/2/23.

Notes: Show Stopper S45 shows all the potential in the world and has an impeccable pedigree with a double cross of Lilyvale Grenadier. His sire Elbern Prophet P29 has bred outstanding male and female progeny for us. His dam Elbern Bessie-Belle K30 is a consistently top breeder and from one of our very best female lines. His grand-dam Elbern Brooke E4, our oldest cow, has bred an outstanding line of bulls including Elbern Hot Property, Elbern Lancelot, Elbern Prophet and Elbern Quamby. Show Stopper S45 is a frame 6.8 and displays an excellent muscle pattern. He is a very showy, smooth, silky coated, free moving bull. His semen test was outstanding with 100% motility and 92% progressive. His weight at 16 months was 608kgs (with only silage, no grain), scrotum 38cm. He has a great spread of Breedplan figures with moderate birth, high growth, excellent carcase weight, EMA and Retail Beef Yield. We believe with his depth of breeding this young bull will go on and develop into an excellent stud sire. Semen tested and pesti negative. 2 x 7 in 1 injections.

Notes: PF State Trooper S15 needs little introduction, but a bull this good is one we cannot shut up about. PF State Trooper S15 was the calf at foot to the now legendary PF Bettina N6 Grand Champion Murray Grey Female at the 2022 Sydney Royal Easter Show. In 2022 N6 sold a single flush in the All States Murray Grey Sale for \$5,600. N6 was also crowned the 2022 ORB Breeder Champion Of the World Female, This is an international competition for animals that have won major shows from all corners of the globe. S15 has stepped out of the very large shadow of his dam and has not disappointed. He was Crowned the 2022 Grand Champion Murray Grey Bull at the Royal Melbourne Show at 11mths of age. He was awarded Silver in the ORB Asia/Africa Bull Championship of the World. "Trooper" as we know him is a bull that gets better and better the more you look at him. He has the stamp of his sire Southend Narssist N185 and the wide base and fluid movement of his mother N6. This combination has built a young bull that is as square as a house from the ground to his hip with a strong top and a head that offers sire appeal needed to last for generations and we are extremely proud to offer a bull of this calibre to the Murray Grey industry. Prairie Falls are offering 3/4 share and full position. State Trooper sells semen tested, 7in1 and Dectomax Injectable 1/04/2023.

The same sire as the 2022 ORB Miss World, PF Bettina N6. Paired with the maternal super sire of the Angus world, Bruin Torque 5261 who is renowned for his impeccable temperament and big broody females. Starlord S10 is a long bodied, free moving, wide based bull that has meat in all the right places. He has been a stand out calf since he hit the ground and continues to catch the eye of everyone that sees this stand out grading sire. Sells semen tested, 7in1 and Dectomax Injectable 1/4/2023

Notes: Maefair Somerville would have to be one of the best bulls bred at Maefair to date. He is entered in the Sydney Royal Easter Show and will be our leading junior bull. He has certainly inherited his sire and dam's carcass traits with a power of red meat and balanced softness. He carries himself well on good feet and legs. Scanning results carried out on 26/02/23 are 886kg, 130EMA and 7.4% IMF

Notes: Maefair Smitty is certainly one impressive bull that we are very proud to have bred. He is visually very long and carries the smoothies while having an abundance of red meat. He is entered in the Sydney Royal Easter show and will be our leading senior bull in the 20-24 month class. His breed plan figures are very impressive and they are matched by very good scanning conducted on the 26/02/23 including 798kg, 130EMA and 7.3% IMF. Potential Plus.

Notes: Saint is a stylish bull with plenty of smoothness, length, power and mobility. He was a calf at foot purchased on the equal top priced female at the Waroona Murray Grey Sale 2021 and has grown well - his maternal brother has been selected for my 2023 show team. Grass fed only until early March and started on the smallest grain rations in preparation for the sale and to get through our current dry spell. He will not need letting down, and is ready to work. Saint has a very placid nature, and is easy to handle both in the paddock and yards. Fully 7 in 1 vaccinated, All Trace Rumens Mineral Bolus applied, drenched, pesti tested negative and GeneSeek DNA sire verified. Will be scanned prior to the sale. Actual birth weight – 40kg Actual 200 day weight – 345kg Actual 600 day weight (30-03-2023) - 756kg Frame score - 6 Scrotal Circumference – 39cm

 ROGILLA PARK BONNY W1 (PB)

Born: 9/09/2020

Category: Bull

Colour: Grey

Location: LOCKYER WATERS QLD

Notes: Royale is a one-of-a-kind bull; temperament, style, genetics and show results (Supreme Murray Grey Exhibit Brisbane 2022) in one package. He is an extremely long bodied bull with fantastic carcass numbers and gets around on a great set of feet and legs. Royale goes back to the famed Bonny cow family, which gives him fantastic maternal qualities, and is sired by Rochelle King of Hearts, who we rate as a true sire in the breed. If you're looking for your next stud sire, or a bull to add more meat to the calves in your commercial program, this is a bull that has, and we believe can, do it all. Scan data taken 31/01/23: EMA 143, Fats 20/12, scrotal 45cm, 1080kg.

Colour: Grey

Location: ALBURY NSW

Notes: Real Deal was purchased from Monterey as a calf at foot, he was joined as a yearling and achieved 100% joined. He has been used for a second season and has some beautiful calves on the ground. Selling as we need to upgrade for next season and do not want to use over his own heifers. His EBV's are above breed average and is in paddock condition.
