Please bring this catalogue with you to the sale.

We welcome all cattle breeders and enthusiasts of our great Shorthorn breed to our 10th Annual Bull Sale.

This year we have 45 bulls for sale, the majority being solid reds, a few lovely roans and four white bulls, great to spot from the air! We have had some extremely positive comments about this line up. They are without doubt the most even we have ever offered in type and structural soundness. We have a JBAS 8 status and are now eligible for Western Australia, with the WA government finally showing common sense over JD regulations.

All bulls have been scanned for fat, EMA and IMF by Mr Ben Glatz, our long-term scanner. They will be semen tested and vet checked by Dr Tony Tully BVS, proprietor of Naracoorte and Penola Veterinary Clinics. The sale will be held at the Stoney Point sale complex now owned by the Thompson family of Bayview who've kindly allowed us to continue using the excellent facilities

The temperament of the bulls is exemplary, they are superb to handle and flow calmly through our magnificent Te Pari cattle yards. For years our main selection criteria has been hooves, clean sheaths, good testicle size and shape, well hooded eyes and large muzzles in a well-balanced package with good temperaments. We, that is Ali, our careful cow manager Garry and myself have gone back to our old cattle handling ways which is evident in the bulls. The bulls have only been given some supplementary feed since mid-January, including lupins which really do help with bull and ram fertility.

Congratulations must go to those other Shorthorn herds who have used our genetics. Royalla's top bull in 2022 was by Belmore Oregon L35 and purchased by long-time Belmore bloodline users the Vuillerman family in South Gippsland, Vic. Also, Caskieben Shorthorns with their Dubbo Reserve Champion by Belmore Quantum M303 and second top price of \$34,000 at Naracoorte last year with another son. The Grove sold a son of Belmore Quantum M88 for \$44,000 in their 2022 sale.

Thank you to wonderful encouragement from The Hon. Gerald Turton of Upsall, North Yorkshire and Major John Gibb, Glenisla, Scotland, who described Belmore Fuel Injected V12 as the most influential sire of the Shorthorn breed in the UK in the last 20 years. The breed has enjoyed an amazing resurgence in the UK mainly due to their superb meat quality, tenderness, marbling and buttery flavour. Supermarket chain Morrison's even run their own Shorthorn herd and boutique restaurants offer Shorthorn beef much as JBS and Holco do here with Thousand Guineas. Belmore steers have been marketed to JBS for Thousand Guineas since its inception. Before that we sent our steers to former owners Swift, and AMH, I believe that is 40 years of continuous Shorthorn support by the operation and supply from Belmore.

We have continued to add to our strong sire battery in 2022 with the purchase of two exceptional young sires. Polldale Rawhide who topped Polldale's inaugural sale at \$32,000 and The Grove Infinity R0765 purchased for \$44,000. Both bulls are homozygous polled. After 3 weeks rest period at Yatana, the boys were quickly put to work and held their condition very well despite their energetic libidos!

We hope you can attend our sale and view this exceptional catalogue of Belmore bulls.

Yours sincerely,

Andy Withers

Sale Terms and Conditions and Freight

Elders and Nutrien are the selling agents. The sale will operate under the usual terms and conditions of livestock auction sales. All lots will be sold exclusive of GST. Bulls are at the purchaser's risk from the fall of the hammer. We recommend all bulls be insured.

Inspection: Bulls can be inspected prior to sale, by arrangement with the Vendor or Selling Agents or on sale day from 10am. Please contact the Vendor or Selling Agents for video footage of Lots prior to the sale.

Rebate: An outside agent rebate of 3% will be offered to agents introducing buyers in writing to the selling agent within 24 hours prior to the sale and settling within 7 days.

AuctionsPlus: This sale is interfaced with AuctionsPlus. This will allow remote bidders to operate in the sale from their location via a smart phone, tablet or computer. Prospective bidders must register at least 24 hours prior to the sale with AuctionsPlus at www.auctionsplus.com.au.

Phone orders: Mobile phones operate successfully at the sale venue. If you are unable to attend the auction we encourage you to make arrangements with the Selling Agents or Vendor if you wish to be contacted during the sale to place bids. Please make arrangements at least 48 hours before the sale.

Health: All herds have a J-BAS 8 score. Bulls have been vaccinated with 7in1, Vibriovax & Pestiguard as per Zoetis STAR program.

Bull guarantee: All bulls are guaranteed to be breeders with the exception of:

- a) In the event of injury or disease that occurs to the animal after the sale
- b) Gross negligence or wilful misconduct on the part of the purchaser.

Any complaint must be lodged in writing with a relevant Veterinary Certificate within 6 months of the Sale direct to the vendor.

Transport: To be co-ordinated immediately after the sale,

either to be trucked directly or arrangements made with vendor to paddock animal/s until transport available. Bulls will be delivered free within South Australia and all bulls sold interstate will be freight assisted. These conditions apply only if transport is arranged by the vendor.

Accommodation: For recommendations please contact the selling agents or vendors.

Aloha Luxury Accommodation: 0448 652 586

Country Roads Motor Inn: 08 8762 3900

Bushman's Arms Hotel: 08 8762 2100

Naracoorte Hotel-Motel: 08 8762 0022

William McIntosh Motor Lodge: 08 8762 1644

Catering: Complimentary lunch will be available prior to the sale 12pm. COVID safe practices will be adhered to. Please ensure strict hygiene practices and social distancing guidelines are adhered to at all times.

Safety Disclaimer: The owners, employees & representatives of the Vendors accept no liability for any accidents that may occur at the Stoney Point Sale Complex. Although such occurrences are rare, any persons attending Belmore's Annual Bull Sale do so at their own risk.

Animals offered for sale are known to be of quiet temperament under normal conditions, but sale day is not considered to be 'normal conditions'. Please do not crowd the animals. Please use common sense and be alert, taking note of your surroundings and safety at all times.

Sale catalogue disclaimer: Age is listed as at time of printing. All reasonable care has been taken by the vendors to ensure that the information provided in this catalogue is correct at the time of publication. However, neither the vendors, selling agents or publisher make no other representations about the accuracy, reliability or completeness of any information provided in this catalogue and do not assume any responsibility for the use or interpretation of the information included in the catalogue.

Can't make the sale?

Log on to AuctionsPlus and bid on your phone, tablet or computer.

Corriedale Hills Top Strathalbyn Feature Sale

Belmore congratulates Brenton Lush of Corriedale Hills on his excellent sale results at the Strathalbyn Feature Sale on 20 January 2023 featuring Belmore bloodlines.

STRATH FEATURE SALE REPORT – 20 January 2023

A yarding of 900 to 1000 cattle offered for the second sale of 2023, which saw prices drop yet again, in line with what is happening across the nation. An extremely good quality yarding for this time of year saw prices very similar to Naracoorte the day before.

Having said that, steers eased by 40 to 70 cents with the lighter end most affected. Most of the steer portion averaged around \$4.30 to \$4.50, topping at \$4.70. Top honours for the day went to Corriedale Hills Shorthorn steers, who topped the liveweight section of the sale with two consecutive pens, selling for \$4.67 and \$4.70.

The steers presented in very fresh condition, showing their breeding, probably the best we have seen them in 16 years, courtesy of a very good late season.

The heifer section was hit even harder price wise, losing 50 to 70 cents, and again the lighter section was most affected. Most of the heifers ranged from \$3.80 to \$4.20.

Once again, Corriedale Hills took the honours at \$4.57, selling for \$1120 per head.

Sale report written by Danny Reynolds – Elders Strathalbyn

EPD Quick Reference Guide

An EPD is an Expected Progeny Difference and it uses all the available information we have to describe an animal’s DNA for a specific trait. The EPD uses the animal’s own performance in its calculation but it is not describing the performance of the animal, it reflects the predicted performance differences of the OFFSPRING, not the phenotype of the animal.

- CE-D:** CALVING EASE DIRECT - % of extra unassisted births in heifers. Positive values are more favourable.
- CE-M:** CALVING EASE MATERNAL - % of extra unassisted births in 1st calving heifers. Positive values are more favourable.
- BWT:** BIRTH WEIGHT - pounds of birth weight.
- WWT:** WEANING WEIGHT - pounds of weaning weight adjusted to 205 days.
- YWT:** YEARLING WEIGHT - pounds of yearling weight adjusted to 365 days of age.
- MILK:** MILK - pounds of weaning weight of daughters’ progeny due to milk production.
- MWW:** MATERNAL WEANING WEIGHT - pounds of weaning weight of daughters’ progeny due to milk and growth.
- STAY:** STAYABILITY - % of daughters remaining in the herd at 6 years of age. Positive values are more favourable.
- DOC:** DOCILITY - % of progeny receiving a docility score of 1 (ideal). Positive values are more favourable.
- CWT:** CARCASE WEIGHT - pounds of carcass weight.
- REA:** RIB EYE AREA - rib eye area in square inches.
- FAT:** RIB FAT - rib fat in inches.
- YG:** YIELD GRADE - lower yield grade scores are more favourable, based on USDA yield grade score.
- MS:** MARBLE SCORE - differences in carcass marble scores. Positive values are more favourable.
- API \$:** API \$INDEX - All Purpose Index is sires used in self replacing cow herd with progeny marketed for both quality and yield.
- RANK:** RANK% - EPD ranking relative to Shorthorn percentile band, lower % values usually more favourable.

**For further information on EPDs visit

Don't let pestivirus rob you blind

Pestivirus is an insidious cattle disease. It can take from you before you know it.

It causes significant reproductive and performance issues, and weakens immune systems – leading to other costly cattle health problems like respiratory disease. In fact it costs the industry over \$114m every year.^[1]

To protect your herd from pestivirus and optimise your returns, it pays to be on Pestigard.

Find out how easy it is at your local rural reseller or cattle vet.
