## How to Register and Bid on AuctionsPlus

1

Go to [www.auctionsplus.com.au](http://www.auctionsplus.com.au) to register at least 48 hours before the sale.

2

Select “**Sign Up**” in the top right hand corner.

3

Fill out your name, mobile number, email address and create a password.

4

Go to your emails and confirm the account.

5

Return to AuctionsPlus and log in.

6

Select “**Dashboard**” and then select “**Request Approval to Buy**”.

7

Fill in buyer details and once completed go back to Dashboard.

8

Complete buyer induction module (approx. 30 minutes).

9

AuctionsPlus will email you to let you know that your account has been approved.

10

Log in on sale day and connect to auction.

11

Bid using the two-step process – unlock the bid button and bid at that price.

12

If you are successful, the selling agent will contact you post sale to organise delivery and payment.

## Welcome to the 2023 Limousin National

Welcome to the 2023 Limousin National Show & Sale. This is the second year the sale is being held at its new location being Holbrook NSW, and our sale this year coincides with the 50<sup>th</sup> Anniversary of Limousin in Australia. The Limousin breed has come a long way from those early years to what we have today. If your breeding program requires short gestation, calving ease, high growth, muscle and milk, Limousins have all of that and more. Pure bred Limousin and Limousin infused stock continue to dominate carcass competitions worldwide. With a wide range of genetics both imported and Australian you are assured to find what you require in your breeding program.

The vendors have put together a line-up of the best in their herds and are covered by the new Limousin National Show & Sale Warranty. All vendors by entering are bound by this warranty and if you have any questions in relation to this, please ask a vendor or one of the Committee members for assistance.

All lots will have been vet inspected, weighed and scanned and details available via a supplementary sheet available at the onsite office or online. If you require further information, please contact the selling agents Nutrien Livestock.

If you cannot be present at the show and or sale all will be live streamed to the "Limousin National Show & Sale" Facebook page. The sale will be interfaced with Auctions Plus for those who wish to bid online. Also show & sale program is listed in this catalogue for your interest on the next page, please note there have been some time changes to this year's event.

*From the Committee we thank you for being part of the Limousin experience.*

## Sale Information

### INSPECTIONS

All animals will be inspected on-site on Wednesday 26<sup>th</sup> April. All bulls will have a scrotal circumference recorded which will be included on the supplementary sheet as well as data scans. All female lots have been examined for pregnancy status and reproductive soundness. Any changes to pregnancy status will be identified on the supplementary sheet. The supplementary sheet will be made available on-site at the registration office and via the 2023 Limousin National Show & Sale Auctions Plus sale listing prior to the start of the sale.

### HERD HEALTH

All animals listed for sale are tested as pestivirus PI-negative. All animal lots listed are from herds that are a minimum of J-BAS score 6.

### TRANSFERS

The transfer of animals on the NLIS database will be handled by the selling agents Nutrien. Purchasers of registered animals that wish to have them transferred to their membership on the ALBS database must confirm this with the vendor they are purchasing from.

### INSURANCE

Purchases become the responsibility of the successful buyer at the fall of the hammer. While all care will be taken by the vendors, it is recommended all buyers insure their purchases through their preferred insurer. Insurance can also be organised on-site via the sales office.

### TRANSPORT & DELIVERY

Transport cost and organisation is the responsibility of the purchaser. All live lots will be available for delivery at the conclusion of the sale. It is expected that purchasers will have animals taken off site by Saturday evening by their organised transporter. Various livestock carriers will be available to assist in delivery of purchases and may be able to assist in looking after animals until a suitable delivery time is arranged.

## Sale Information (Continued)

### BUYERS REGISTRATION

Registration is required on sale day at the Nutrien office as a "Buyers Number System" will be in operation, therefore all prospective purchasers will be required to register prior to the commencement of the sale. **\*\*PLEASE NOTE: All sale lots are sold exclusive of GST\*\***

### ONLINE BIDDING

The live auction will also be interfaced with Auctions Plus for online bidding. Please follow the Auctions Plus instructions found in the catalogue. **\*\*\*PLEASE NOTE: It is recommended that first time users allow a minimum of 48 hours prior to the sale to register.**

### SHOW & SALE LIVESTREAM

The show and sale will be livestreamed into the "Limousin National Show and Sale" Facebook page.

## GOLD SPONSORS

## SILVER SPONSORS

## BRONZE SPONSORS

## Judges Profiles

### Andrew Green 2023 National Show Judge

Andrew is currently the Manager at Glendan Park Herefords, Kyneton, VIC. He has a wealth of cattle breeding and overall management experience as he has been in the stud beef industry all his life.

Andrew's knowledge has resulted in an extensive list of judging appointments. He has judged at many Shows including Melbourne, Canberra and Sydney Royal's over several breeds. He also was the 2022 Interbreed Judge for the Royal Melbourne Show and has judged a Limousin Feature at Canberra Royal previously.

Alongside judging at Royal Shows, Andrew has had the prestigious role of judging at both the Poll Hereford National Show and Sale, Dubbo and the Murray Grey National Show and Sale, Wodonga.

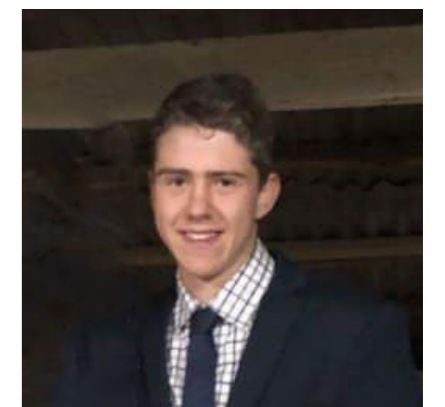

### Jacob Kerrisk 2023 National Associate Judge

Jacob was awarded the Grand Champion Junior Judge at the 2022 Keajura Park National Limousin Junior Show and awarded the opportunity to be the 2023 Limousin National Show & Sale Associate Judge.

Jacob is employed with Elders Wagga Wagga as a Livestock Agent and has a strong passion for livestock, highlighted through his employment and passion for breeding and exhibiting cattle.

Jacob started showing cattle early on in high school and has already been fortunate with many great successes, such as winning Grand Champion Purebred Steer at Sydney Royal in 2022.

Along with his partner Caitlin Rodham they operate JC Cattle Co and have 10 stud Limousin females, alongside a select few high-end steers, targeted to Royal Hoof & Hook competitions.

## History of Trophies

### The Yvonne King Forster Memorial Trophy

*Awarded to the Supreme Exhibit at the National Show & Sale*

Since 1988 the Yvonne King Forster Memorial Trophy has been awarded to the Supreme Exhibit at the National Show & Sale. This Trophy was dedicated to Yvonne King Forster, who were strong advocates for the Limousin breed across the world. The Forsters founded the "Tanhill" Limousin herd in the UK in 1972, and were regular visitors to Australia to visit their daughter Jill and her husband Tony Whistler of "Homestation" in Victoria and spend time sharing their knowledge of cattle and the Limousin breed. Yvonne served as President of the British Limousin Society. The Forsters and Whistlers held a joint "Golden Opportunity Sale" in Wodonga in 1988, which set many new price records for Limousin cattle at the time. During the same year, Australia hosted the International Limousin Conference during which a Crystal Decanter with a Limousin Stopper was presented to the ALBS by the British Limousin Society which is now recognised as the Yvonne King Forster Memorial Trophy.

### The Show Case Trophy

*Awarded to the Grand Champion of the opposite sex to the Supreme Exhibit*

James Maxwell was one of the founding members of the Australian Limousin Breeders Society when it was first established in 1972. He served as ALBS president from 1975-1976. James and his wife Marjory were both heavily involved within in the breed, establishing "The French Connector" as a medium to share Limousin Stories and Events. In 1986, James was elected world President at the International Limousin Conference. While in France, he was awarded the "Chevalier de l'Oredre du Merite Agricole" in recognition of his pioneer status as a Limousin breeder in Australia, as a fitting tribute to someone who has given so much to the breed in Australia and helped establish the ALBS. As a hobby, James was a keen Silversmith; handmaking the Show Case Trophy which was presented to the Supreme Exhibit at the National Show & Sale from 1976 until 1988; when it became the trophy for the Grand Champion of the opposite sex to the Supreme Exhibit.

### Michael Tynan Memorial Prize of Excellence

*Champion class awarded to the Best Group of Three Bulls*

In 2017, a perpetual trophy was donated by Annette Tynan of Birubi Limousins and Lim-flex Studs. This award is in loving memory of her husband Michael, who although an extremely busy business man in his own right was very supportive and interested in all of Birubi's cattle and stud enterprises and was a passionate supporter of the Limousin breed as a whole. The Michael Tynan Memorial Prize of Excellence is awarded to the Best Group of Three Bulls, all bred and owned by the exhibitor.

Maverick is a softly made, deep, wide and very docile Zambuka grandson. His sire Raven Red Memphis M381 consistently produces quality calves each year, and Maverick is no exception! His sire is a full flush brother to Aruma Mr Magic, currently used for Stud duties at Berdihold Stud. Maverick's maternal granddam the late, great Raven MS Gillard, who bred the house down for Raven Limousins and who produced many sale topping sale winning progeny. A homo polled bull who will stamp quality on his progeny. His dam is a Mandayen Fortune daughter currently still in production in the Toebelle herd she is powerful and impressive.

HOMO.POLLED AND HOMO.BLACK. S87 is in our opinion the best black Limousin bull that we have produced out of the Mystic Ridge and Starr's programs. An impressive young sire that has to be admired for his overall power, performance, width and dimension, combining this with balanced EBV's and a predictable pedigree. Dam is one of the most notable show, donor and breeding females in the country MYERS LADY LUCK - 2014 Sydney Royal Supreme Exhibit, equal top price female alongside her daughter (full sibling) for \$30,000 at the 2021 Winter All Breeds Sale. As well as producing sale topping embryos twice, including the 2021 Limousin National Show and Sale. Sired by the proven MYERS WESTERN STAR, who sired grand champion steer at the 2021 Sydney Royal and top price female at the 2021 Royal Canberra Online sale and is currently serving stud duties at Mandayen Limousins, SA. Screamer by name is without a doubt STUD SIRE POTENTIAL - S87 has been a standout since birth, structurally sound, softness, capacity and placid nature best describes this young bull. Here's your chance to secure an EXCITING HERD CHANGER IN THE MAKING.

## 2023 – Melbourne Show Feature Breed

21<sup>st</sup> September 2023 – 1<sup>st</sup> October 2023

This year Limousins will be the feature breed for the 2023 Royal Melbourne Show. This coincides with Limousin Australia & New Zealand's 50 years celebration.

To celebrate and support vendors and purchasers, Limousin National Show & Sale along with the ALBS will offer a "Melbourne Royal Show - Jackpot Prize".

### ELIGABILITY

Any live lot purchased during the Auction at the 2023 Limousin National Sale that subsequently wins a specified Championship at the 2023 Royal Melbourne Show will be awarded a \$1,000 prize.

The eligible Championships are:

- Junior Champion Female
- Senior Champion Female
- Junior Champion Bull
- Senior Champion Bull

### JACKPOT PRIZE

\$1,000 cash prize awarded to the Purchaser if they place as a Division Champion at the 2023 Melbourne Royal Show

### CONDITIONS

An animal sold at the National as a calf at foot is not eligible for the Jackpot.

The prize is only awarded once per animal.

Payment will be made to the winners nominated Bank Account.

# GENETICS

# LOT 50-64

**PLEASE NOTE:**

**LOTS 50 – 52 ARE SOLD AS A LOT PRICE**

**LOTS 53-64 ARE SOLD AS A PER SEMEN/EMBRYO BASIS**

**Lot 50**

**PICK OF THE EMBRYO DROP 'U CALVES'  
FROM MORRISVALE LIMOUSINS**

**Vendor: James & Casey Morris**

A unique opportunity - with our genetics found all over Australia we thought what better way to give you top shelf access.

An embryo program in 2022 that resulted in 92% take rate has seen us with approx 42 calves being born in 2023, you be the judge.

Joining sires include Paynes Cracker, Ballamore Endeavour, Wulfs Hyannis, Morrisvale Kept Secret, JYF Gentry and Greenwood Fernando.

Dams include MRJPE13, MRJPN53, MRJPK34, AMSPK444, MRJPN5, MRJPQ22 and Brentvale Stella.

**PICK OF THE 2022 SPRING CALF CROP  
FROM SUMMIT LIVESTOCK**

**Vendor: Hayden & Jasmine Green**

SELLING: PICK OF THE 2022 SPRING CALF CROP FROM SUMMIT LIVESTOCK

Take your pick its not very often you get the chance to take first pick of a calf crop including some of the leading genetics in the Limousin breed.

We are excited to once again offer the opportunity to take your pick from our entire spring calf crop at Summit Livestock for 2022.

This calf crop includes some of the industrys leading sires as well as ET-calves from our top donor females, representing some of the strongest cow families in the breed.

Sires represented include SYES Easy Going, Anchor B Gold Rush, B Bar Carhartt, Wulfs Zane, RPY Paynes Cracker, Cottage Lake Big Star, Greenwood Gods Country, Balamore Endeavour, Summit Drover, Summit Recharge, Summit Precedent, Summit Revelation, Summit Prediction, Summit Commission & Summit Ranchhand.

Cow families represented include Meadowgrass, Missive, Mimi, Magic, Cauliflower, Exotic, Krystal, Wunda, Temptress, Lara, Jill, Charming, Ready-Made and more!

The winning bid is able to come and take their pick of all Summit calves born between July 1st 2022 and December 31st 2022.

You will have the opportunity to select a calf from the heart of our program. Check the supplementary sheet for a full listing.

Prior inspections of the spring calving group are welcome, please contact Summit Livestock to arrange a visit.

DONT MISS THIS OPPORTUNITY TO SECURE SOME OF THE BREEDS MOST EXCITING GENETICS!!

CED	GEST	BWT	200D	400D	600D	MCW	MILK	SS	CWT	EMA	RIB	RUMP	IMF	DOC
-3.5	+0.7	+22	+42	+56				+1.7						

Expected average progeny values are provided to assist breeders estimate the outcome of particular mating combinations. These values are NOT GROUP BREEDPLAN EBVs and should not be published as such. The actual EBVs for any individual progeny resulting from a particular mating are likely to vary from the expected average values.

Homo-polled joining. Missive J24 is one of our lead donors with an exceptional breeding record. Junior Champion at Sydney Royal 2015, she consistently breeds cattle with beautiful balance & correctness. Several of her sons have gone onto stud duties & her daughters have exceptional udders. Easy Going was one of the top-selling bulls out of the Symens Brothers program in 2018 & provides an outcross pedigree with true calving ease and great docility. Progeny were born easy and early with terrific vigour and gentle nature. They are really deep, thick-bodied calves that are soft as butter. We are excited to get some calves from this joining in 2023 so dont miss your chance before we put them all in. Location Holbrook Breeders (NSW), Frozen by DT.

Magic P4 carries on the legacy of the great Voodoo Magic family. National Calf Champion & top priced heifer in 2019, she displays the same soundness, femininity & great udder make-up that the Magic family are renowned for. Gold Rush was the \$60,000 high-selling Limousin Bull in North America in the 2020 spring bull sale season who is breeding tremendous power & performance along with exceptional docility. Gold Rush sired the top-priced heifer on our Spring Selection Sale last year and his progeny to date are very impressive. Keep your eye out for Gold Rush progeny in our show team. This joining combines one of our strongest cow families with one of the breeds most exciting new powerhouse sires. Location Holbrook Breeders (NSW), Frozen by DT.

## Explanations As Supplied By Limousin Australia

### EXPLANATION OF THE SUFFIXES TO ANIMAL NAMES IN THIS CATALOGUE

LIMOUSIN SUFFIXES			
Trait	SUFFIX	STATUS	STATUS ARRIVED AT BY Details available for individual animals on Limousin database Animal Details page
Horn status	PP	Homozygous polled	DNA test confirmed homozygous polled, or Animal is homozygous polled by pedigree as both parents are confirmed homozygous polled, or Animal is confirmed homozygous polled by progeny analysis process.
	P	Polled	DNA test confirmed heterozygous polled, or Animal is untested, information was provided by breeder.
	Ps	Polled with Scurs	Identified by details provided by breeder at time of registration, or DNA test confirmed heterozygous polled and breeder information indicates animal shows scurs.
	H	Horned	DNA test confirmed horned, or Animal is untested, information was provided by breeder.

Coat colour	BB	Homozygous black	DNA test confirmed homozygous black, or Animal is homozygous black by pedigree as both parents are confirmed homozygous black. Animal is confirmed homozygous black by progeny analysis process.
	B	Black	DNA test confirmed heterozygous black, or Animal is untested, information provided by breeder.
	R	Red	Identified by details provided by the breeder.
	A	Apricot	Identified by details provided by the breeder.
	O	Other	Identified by details provided by the breeder.
F94L gene	AA	F94L 2 copies	DNA test confirmed animal carries 2 copies of the F94L gene, or Animal carries 2 copies of the F94L gene as both parents carry 2 copies of the F94L gene.
	AC	F94L 1 copies	DNA test confirmed animal carries 1 copy of the F94L gene.
	CC	F94L 0 copies	DNA test confirmed animal carries no copies of the F94L gene.
	U	F94L Status unknown	Animal is untested and parent status is unknown.
Lim-Flex	LF	Lim-Flex	Animal is identified as Lim-Flex by pedigree details in line with ALBS regulations.

### EXPLANATION OF ESTIMATED BREEDING VALUES

An Estimated Breeding Value (EBV) is an estimate of the genetic merit of that animal for each trait measured. EBVs are provided for the following traits:

**Calving Ease Direct:** estimates the differences in the ability of a sire's calves to be born unassisted from a 2-year-old heifer.

**Gestation Length:** ranks sires for the time between conception and the birth of a calf. Shorter gestation is indicated by negative EBVs and longer by positive EBVs.

**Birth Weight:** indicates the genetic potential for birth weight. Positive EBVs indicate higher birth weights and negative EBVs indicate lower birth weights of progeny.

**200, 400 & 600 Day Weight:** give us an estimation of the animal's genetic potential for growth.

**Mature Cow Weight:** estimates differences between animals in live weights of cows at 5 years of age.

**Milk:** a key component of fast growth to weaning is the dam's maternal performance. A bull with a high milk EBV should produce daughters which milk well.

**Scrotal Size:** indicates whether the bull will produce sons with above average or below average scrotal sizes.

**Carcase Weight:** ranks animals for carcase weight.

**Eye Muscle Area:** ranks animals for eye muscle area measured at the 12th rib on a 300kg carcase.

**Rib Fat:** ranks animals for rib fat depth at the 12th rib on a 300kg carcase.

**Rump Fat:** ranks animals for fat depth at the p8 site on the rump on a 300kg carcase.

**Intra Muscular Fat:** ranks animals for the percentage of intramuscular fat at the 12th rib of a 300kg carcase.

**Docility:** is expressed as the increase or decrease in the percentage of progeny that will be scored as docile (score 1 or 2). Positive EBVs indicate a higher proportion of progeny that will be scored as docile and negative EBVs indicate a lower percentage of progeny being scored as docile.

**Comparing EBVs:** The EBVs for Limousins cannot be compared with EBVs for animal of other breeds. They should be compared with the current average EBV for the Limousin breed shown below.

Breed Average EBVs for 2021 Born Calves														
CED	GL	BWt	200	400	600	MCW	MLK	SS	CWT	EMA	RIB	RMP	IMF	DOC
+0.5	-2.1	+1.7	+21	+35	+49	+49	+7	+1.1	+31	+1.8	+0.0	-0.1	+0.0	+43

**Accuracies:** Accuracies are presented with each EBV and give an indication of the amount of information that has been used in the calculation of that EBV. The higher the accuracy the lower the likelihood of change in the animal's EBV as more information is analysed for that animal and its relatives.

**Disclaimer:** The Estimated Breeding Values (EBVs) contained within this sale catalogue were compiled by the Agricultural Business Research Institute (ABRI) from the data supplied by breeders. Neither the Australian Limousin Breeders' Society or ABRI oversee or audit the collection of this data.

## Limousin National Show & Sale Warranty

This warranty is to ensure you have security in your investment when purchasing animals from the Limousin National Show & Sale. All animal / animals offered for sale are registered with the Australian Limousin Breeders' Society and are covered under this Warranty Declaration which is a separate document to the Limousin National Show & Sale Terms & Conditions of entry. A copy of the Terms & Conditions is available at the purchaser's request.

For you as the buyer it provides a guide as to what warranty applies to your purchase and the duration of that warranty. Also it sets out the information required should you need to make a claim.

**All vendors by entering in the National Show & Sale and having those entries accepted by the Sale Committee are bound by this Warranty.**

### **FERTILITY WARRANTY - FEMALES**

All females sold as unjoined (unless they have calves at foot) are warranted fertile to natural service within twelve months of the date of purchase. The purchaser is to contact the vendor immediately if a possible fertility issue arises. Females over twelve months and sold as joined will be provided with a Veterinary certification of pregnancy status. The purchaser is to have the right to a full refund of the purchase price of the female or an agreed replacement female of the same value (excluding any costs and expenses of the purchaser) on submitting a veterinary report at any stage during the twelve-month warranty period to the effect that the purchaser has been unable to get the female in calf to natural service. The veterinarian must state that in his/her opinion the female is of joining age and weight and there is no evidence that the female has suffered any injury or illness since being sold to the purchaser which could have affected her breeding ability. The veterinarian must also state that in his/her opinion there is no evidence that the female has been subjected to embryo transfer procedures. The veterinary report (together with a Statutory Declaration by the purchaser to the effect that the substance of the report is true and correct) must be forwarded to the vendor within fourteen days of the date of the veterinarian report.

### **FERTILITY WARRANTY - BULLS**

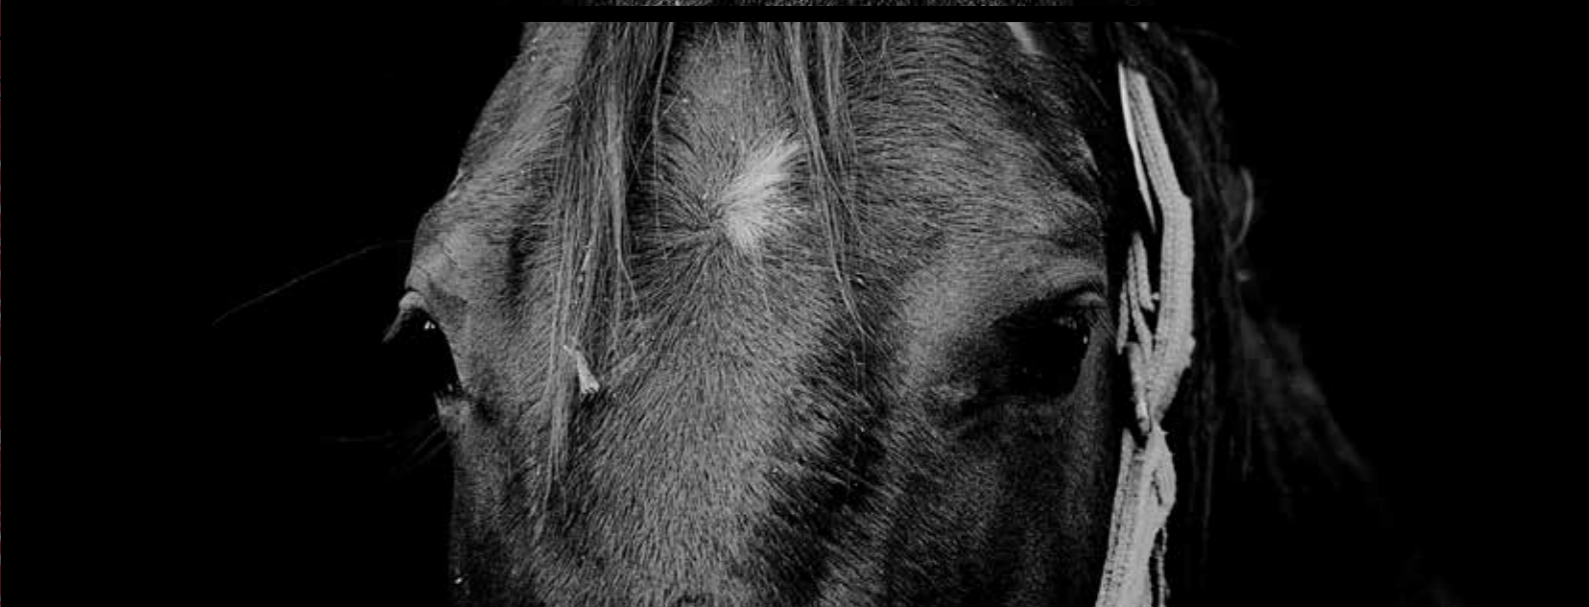

All bulls are sold as fertile and capable of natural service. This warranty covers a six-month period commencing on the date of sale. The purchaser is to have the right to a full refund of the purchase price of the bull or an agreed replacement bull of the same value (excluding any costs and expenses of the purchaser) at any stage during the six months warranty period, subject to submitting a veterinarian's report stating that the bull is infertile or incapable of natural service. The veterinarian must also state that in his/her opinion the bull has not suffered any injury or illness since being sold to the purchaser which could have affected his breeding ability. The veterinary report (together with a Statutory Declaration by the purchaser to the effect that the substance of the report is believed by the purchaser to be true and correct) must be forwarded to the vendor within fourteen days of the date of the veterinarian report.

### **DOCILITY WARRANTY**

Should the animal be found to be of an unacceptable temperament within fourteen days of the date of the sale, the purchaser has the right to a full refund of the purchase price of the animal (excluding any costs and expenses of the purchaser) or an agreed replacement animal of the same value, subject to the purchaser submitting a veterinarian's report stating that the animal is of an unacceptable temperament as defined by a score greater than 2.5 in the official scoring system of the Australian Limousin Breeders' Society. The veterinarian must state that in his/her opinion the animal has not been mistreated in a way which would have affected its behaviour since being sold to the purchaser. The veterinary report (together with a Statutory Declaration by the purchaser to the effect that the substance of the report is believed to be true and correct) must be forwarded to the vendor within fourteen days of the date of the veterinarian report.

### **DISPUTES AND LIABILITY OF VENDOR**

No claim shall exceed the purchase price of the animal(s) or provision of a mutually acceptable replacement animal(s). All claims are to be attended to within fourteen days of receipt of any such claims. Any such claims are to be forwarded direct to the vendor with the required paperwork and the National Show & Sale Committee notified of any such claims. Should the vendor dispute a claim by the purchaser, all the relevant reports and documentation are legal documents and can be used for the purpose of legal claim.
