The dog may not work for you as it did for the previous owner immediately. Your livestock handling practices may be different to what the dog was used to, give the dog time to adjust to this. “Blackall barks up the right tree with working dog sale”

<https://www.queenslandcountrylife.com.au/story/7730834/first-working-dog-sale-in-western-qld-in-years-a-big-hit-at-blackall/>

“Selling agent Beau Frame said it had begun as an idea from ACL Working Dogs at Barcardine, which Frame Rural then developed.” “Mr Pointen said he thought it had been a great idea from the start, given the staff shortages there are in the bush.”

“I supported it with nine dogs - I don't normally do that - but I wanted to support the bush,” he said.
