Welcome to our 12<sup>th</sup> Annual Winter Sale.

This year's sale bulls are very uniform for type and well grown, with excellent weight for age, structural correctness and displaying plenty of thickness and softness.

There are bulls for all requirements, with powerful bulls with real grunt, versatile types to cover all bases and a wonderful group of Spring drop "sleep easy" heifer bull options.

We are proud to be partnered by Farm Weekly, Summit Fertilizers and Optima Resources/ Cowara Contractors to provide a "Get Ready for Winter" Giveaway Competition at this year's sale. You will have the chance to win the choice of a Murray Grey or Angus bull provided by us, drawn at the commencement of the sale and a Summit Fertilizer Pasture Boost package worth \$4000 at the conclusion of the sale. Entry coupons for these draws are available in Farm Weekly and will need to be placed in the box provided on Sale Day. There will also be a Lucky Buyer prize of 50 tonne of lime, courtesy of Optima and Cowara Contractors, which will be drawn at the conclusion of the sale.

As many of you know, we have had our share of upheaval over the past few months, and we'd like to thank our loyal staff for stepping up and getting us through. Also, special thanks to friends, associates and our agents for their help and understanding.

As always, the bulls will be presented in excellent order ready to work, fully vaccinated, semen tested, and guaranteed to do the job.

For those unable to attend, but still wishing to purchase, the sale will also be interface on Auctions Plus.

With an excellent start to the season and export markets on the improve, we trust that 2023 will continue to develop into a rewarding year.

Looking forward to seeing you on Sale Day.

Regards

*Gary and Julie*

**Notes:** Dam of this young bull is an impressive deep bodied, easy doing female and this is her first calf as a 2yo. Sired by Ned Kelly N218 (used with success over heifers exclusively for 2yrs but now physically too heavy for heifers so is on cows). Excellent proportions and weight for age on this well built bull. Well laid in shoulders, large testicles, stylish type with good outlook. Could be used over well grown heifers.
